# TEN ESSENTIALS for HEALTH & WELLNESS

Good health is a gift to be treasured and nurtured every day. TriVita joyfully shares these keys to helping you experience wellness: the 10 essentials of physical, emotional and spiritual health.

## PHYSICAL

1. Breathe Deeply
2. Drink Water
3. Sleep Peacefully
4. Eat Nutritiously
5. Enjoy Activity

## EMOTIONAL

6. Give and Receive Love
7. Be Forgiving
8. Practice Gratitude
9. Develop Acceptance

## SPIRITUAL

10. Develop a Relationship with God

## FROM THE FOUNDER

Michael R. Ellison

Happy New Year!

For 2018, my new year's resolution is to live stronger and bolder in my purpose of helping people live with greater wellness and purpose!

The world is in desperate need of wellness – my heart pounds thinking of the possibilities. Imagine the impact of thousands of TriVita members living with focused intentions of wellness for purpose. The very thought brings tears to my eyes.

**The scriptures say, “*Friends I pray you will prosper in all things, be in good health as your soul prospers.*” I trust you will take time to connect your wellness and purpose for 2018. I believe it is God’s desire for you.**

TriVita is here to help you live with wellness! The 10 Essentials for Wellness can help guide you by focusing on physical, emotional and spiritual well-being. Whether you want to optimize your health or reduce your risks of disease, VitalityPlanner is available to our Premier Members. Use VitalityPlanner to identify potential health risks, make smarter lifestyle choices and round out your wellness plan for 2018.

**This month we are offering a MyoHealth 2Pack at reduced pricing plus 1,000 MegaBonus VitaPoints. MyoHealth is a fabulous product with 24 human studies, over 20 years and 20 million dollars of research funded by NIH, NASA and others.**

If you haven’t already taken advantage of the MyoHealth 30-Day Challenge, please consider this generous offer. To learn more about the importance and value of the Essential Amino Acids (EAA) in MyoHealth and why they are so crucial to your long-term health and vitality, I urge you to read *The Building Blocks of Life* by Robert Wolfe, Ph.D.

May you prosper in all that you do and be in good health, living your God-given purpose in 2018!

Michael R. Ellison,  
Founder of TriVita

# Why I Trust TriVita

## Nine Decades Long and Still Going Strong

Most of us never know what obstacles and rewards life will bring, which is why it's so important to think positively and live each day to the fullest. And that's exactly what Myra Hobbs, who has been a loyal TriVita member since 2001, tries to do.

Myra was born in 1927 and grew up in Dorchester County on the eastern shore of Maryland. After graduating from high school, she moved to Baltimore to attend beauty school, all the while planning to eventually return to Dorchester County and open her own business. But after living through the Great Depression and all of the rationing and worry that accompanied World War II, Myra was diagnosed with polio at the age of 18.

At the time, Myra's doctors were unable to determine how she contracted the disease, leaving her with little more than a theory that she either ingested contaminated water or was bitten by an infectious fly. "I was in the hospital for quite a while and had four needles inserted in my body; two in the arms and two in the legs. They weren't sure I was going to survive; my arms and legs had both turned in, so I had to stay there until I was strong enough to go home. After over half a year of convalescing and therapy, eventually I recovered." (Keep in mind this was a full ten years before Dr. Jonas Salk introduced his polio vaccine.)

*“I live my life believing in the Lord; trying to live right, eat right and do the right things, and all my life I’ve focused on taking good, high quality supplements. I currently take Nopalea capsules, Essential D, CoEnzyme Q-10 and I love the Vital C powder. I also take B-12 and Adaptuit, too.”*

*“I’m so thankful I found TriVita because your products are great. They always do what you say they’re going to do, and that’s why I trust TriVita.”*

—Myra Hobbs,  
Member since 2001

“They said I would never walk again, so I had to give up my dream of becoming a beautician, but after I recovered I was able to begin my career as an office worker at a legal firm back in Baltimore.”

“About 10 years later I met my husband in a ballroom; I love to dance and so did he. I initially met his sister and she introduced us. Unfortunately, we were only married for four years before he fell ill. He was in the hospital and the doctors treating him said he had recovered sufficiently enough to be released, against my wishes. Sure enough, I asked someone to help me get my husband into our car, and he said, ‘Honey, I don’t think I’m going to make it,’ and died right then and there in my arms. We rushed him back inside, but he was gone. That was 55 years ago.”

Yet in spite of these tragedies, Myra remains thankful and upbeat, and taking TriVita products help keep her going strong. “I live my life believing in the Lord; trying to live right, eat right and do the right things, and all my life I’ve focused on taking good, high quality supplements. I currently take Nopalea capsules, Essential D, CoEnzyme Q-10 and I love the Vital C powder. I also take B-12 and Adaptuit, too. The other product that I’ve been using for some time is Bone Growth Factor, which has made a big difference.”

“I tell my friends about TriVita products all the time, because I don’t believe in taking any over the counter supplements. They don’t have any of the nutrients TriVita products contain. I also try to eat only organic food and stay away from anything that’s sprayed.”

“I try to take care of myself and exercise twice a day by walking through the halls of my building. When I do, everybody says ‘Here comes the walker!’ Half of the people here are lying in bed or watching a movie, but I want to be healthy! That’s just me.”

“I’m so thankful I found TriVita because your products are great. They always do what you say they’re going to do, and that’s why I trust TriVita.”

## OUR HEALTHCARE PROFESSIONALS

### **Scott Conard, M.D.**

Diplomate American Boards of Family Medicine & Integrative and Holistic Medicine.

Chief Medical Officer, TriVita, Inc.;  
President, TriVita Clinic of Integrative Medicine

### **Paul Bernitt**

Board Certified Doctor of Holistic Health

Paul is a passionate advocate for early detection, prevention and wellness and brings extensive healthcare education, experience and leadership to his role as the Administrator of TriVita Clinic.

### **Ankit Chander, MD, MD (H)**

Board Certified Integrative Medicine  
Licensed Doctor of Homeopathy

Dr. Chander's clinical interests include interdisciplinary approaches to pain, hormone replacement and early detection/management of diabetes & cardiovascular disease.

## MEDICAL AND SCIENTIFIC ADVISOR

### **Jarir G. Nakouzi, M.D.**

An international consultant, Dr. Nakouzi completed his residency in the Yale University Program of Internal Medicine. His private practice takes an integrative approach to chronic diseases.

## 10 FOUNDATIONAL VALUES

Ensuring that our Members have the best possible product experience is our top priority. It requires a strict adherence to a code of safety, quality, integrity and innovation: what we call our 10 Foundational Values. They are the very core of TriVita.

1. SCIENTIFICALLY VALIDATED FORMULAS
2. UNIQUE DELIVERY SYSTEMS
3. CONTROLLED LABORATORY STUDIES
4. PURE INGREDIENTS
5. CURRENT GOOD MANUFACTURING PRACTICES (cGMP) COMPLIANT
6. THIRD-PARTY TESTING AND CERTIFICATION
7. QUALITY-CONTROLLED PACKAGING AND PRODUCTION
8. DEDICATED TO PRODUCT INNOVATION
9. MEDICAL & SCIENTIFIC ADVISORY BOARD
10. COMPLETE CUSTOMER SATISFACTION GUARANTEE

## GLUTEN FREE TRIVITA PRODUCTS

All TriVita products are independently tested for gluten. If you have gluten concerns, look for the gluten free symbol, located next to the product item number.

## CURRENT GOOD MANUFACTURING PRACTICES (cGMP) ASSURE THE HIGHEST QUALITY

At TriVita we make sure that all ingredients in our products come only from vendors who comply with the highest standards of Current Good Manufacturing Practices (cGMP). Additionally, all TriVita supplements are manufactured in the United States.

## OUR PROMISE TO YOU: YOUR TRIVITA PURCHASE IS BACKED BY OUR 60-DAY MONEY BACK GUARANTEE.

### PAYMENT

TriVita accepts debit cards and all major credit cards, including Visa, MasterCard, Discover and American Express. You may also mail a personal check, money order or postal order (be sure to include applicable shipping, handling and taxes). We also accept electronic check—just call and your order can be deducted from your checking account securely without the delay in mailing your order. When sending check or money order, please add your member ID found in the blue box on the back cover of this catalog.

### DELIVERY

Standard delivery is made by common carrier and will usually arrive in 7–10 days. Expedited shipping is available—just call our Wellness Consultants for options and rates.

### FEATURED SPECIALS

Our featured specials are available by phone, fax, mail and online at [TriVita.com](http://TriVita.com). Featured specials expire on the date listed.

### PRICING

Prices listed in this catalog are current as of the date of printing. We reserve the right to change prices and limit quantities, without notice.

### TAX INFORMATION

Please comply with your state's tax laws. TriVita will remit sales tax to the appropriate state. Contact a Wellness Consultant if you need assistance.

### SATISFACTION GUARANTEE

If you are not fully satisfied with your purchase, you will receive a full refund, less shipping and handling, within 60 days of the order date. Please call our toll-free number for complete details at 1-877-850-2968, or to receive instructions for returning products for a refund. # Current Good Manufacturing Practices (cGMP) Compliant

One of our  
10 Foundational Values

At TriVita, we take your wellness as seriously as you do. We want you to be informed and feel confident every time you order our products, and that's why we go to great lengths to ensure our products adhere to strict industry standards and exceed expectations.

All of our high-quality products begin with the best ingredients. We source the vitamins, minerals, herbs and botanicals that go into TriVita's products from top suppliers around the world. From there, we conduct careful testing and analysis to verify the identity, purity and potency of each ingredient. If at any time, impurities are present or a component does not meet our standards, we quarantine and remove the batch to prevent contamination. After testing, the raw materials are ready for the manufacturing process.

Producing quality supplements is a highly involved and intricate process. To create a consistent and reliable product, we institute demanding manufacturing processes and quality control procedures. We apply these same rigorous methods to all TriVita's products, including complex herbal and botanical formulations, to guarantee that the finished product is free of contaminants and impurities.

Our U.S.-based manufacturers are in full compliance with the FDA's current Good Manufacturing Practices (cGMPs) to certify proper design, monitoring and control of the manufacturing facility and procedures. These manufacturing practices

*At TriVita we make sure that all ingredients in our products come only from vendors who comply with the highest standards of Current Good Manufacturing Practices (cGMP). Additionally, all TriVita supplements are manufactured in the United States.*

establish requirements for thorough record-keeping, facility design and sanitation, product packaging, labeling and more to guarantee you have access to high-quality products.

We also conduct quality control checks and additional testing throughout the entire manufacturing process, but not just on the supplements themselves. Product packaging, labels, equipment and any utensils or machinery used during the process are inspected, sanitized and closely monitored. Finally, representative samples from every batch are carefully tested and inspected for purity, potency and accuracy to further ensure the safety and quality of your TriVita products.

As a valued customer, you deserve the best products to support your health and wellness goals. By strictly adhering to the highest standards and settling for nothing less, all of us at TriVita are working to provide you with the quality supplements you know and trust.

# What you probably don't know about fitness

## YOU DON'T NEED TO GO TO THE GYM (AT ALL!)

Physical activity is important to help with weight loss, strengthening muscles and improving your overall health. But if you don't want to go to the gym, that's okay. You don't need an expensive gym membership—or even equipment—to lose unwanted fat and tone muscle. All you need is your body. There are many options for you to choose from to be active. Any activity that gets your heart beating faster is beneficial. Try hiking, walking, playing a sport, skiing, skating, shoveling the driveway, playing with kids or dancing.

## YOU DON'T NEED TO WORK OUT EVERY DAY

In fact, your body needs at least one day of rest every week. It's important to let your body rest between activities, especially if you are new to being physically active. For example, if you go on a bike ride on Monday (and you're not a regular biker), wait at least 24 hours (until Wednesday) before riding your bike

again. This gives your muscles time to repair, and will minimize your risk of injuring yourself. You actually get the most benefits from your workout in the 24 hours AFTER the activity, as the body repairs itself and creates new cells.

## BEING PHYSICALLY ACTIVE HAS BENEFITS BEYOND WEIGHT LOSS

- Strengthening your bones and muscles
- Stress relief
- Feeling happier (by releasing endorphins, the “feel good” hormones)
- Sharpening your brain
- Increased self confidence
- Social interaction
- Reducing your risk of disease

Our bodies are meant to move. The key with physical activity is to find something that you enjoy. Find an activity that you look forward to doing, and make it a priority. Your body (and waistline) will thank you.

## DON'T DO THE SAME ROUTINE EVERY TIME YOU WORK OUT

Alternate activities that work different parts of your body, and that are easier or more challenging. This is called muscle confusion, and will keep your body (and your mind!) interested and responsive to the training. Here's an example:

- Monday – bike riding
- Tuesday – dancing
- Wednesday – rest
- Thursday – swimming
- Friday – bike riding
- Saturday – rest
- Sunday – walking

*Consult with your healthcare provider before beginning any exercise program.*

# The Story Behind Sarcopenia

If you've suffered a noticeable loss of muscle mass, strength and function as you've gotten older, chances are that it isn't a random occurrence. It very well could be a condition known as sarcopenia, or adult onset muscle loss, a progressive and generalized loss of muscle mass that is directly associated with the aging process.

In fact, sarcopenia affects 14 percent of 65-69 year olds and 53 percent of the population 80 and older. And with the number of people around the world aged 60 and older expected to reach 2 billion in 30 years, even conservative estimates show sarcopenia affecting more than 200 million people by 2045.<sup>1</sup>

An even bigger concern for all of us today is that deteriorating muscle mass affects more than just strength; it also negatively impacts our balance and gait as well as our overall ability to perform what were once routine tasks of daily living, from hauling groceries to walking the dog. All too often this leads directly to frailty, morbidity, disability, poor quality of life, increased dependence on long-term care and eventually mortality. As of the early 21st century, the estimated direct health care costs related to sarcopenia already exceeded \$20 billion.<sup>2</sup>

As a general rule, the body seeks stasis (equilibrium), which means a balance between protein production (synthesis) and usage (metabolism). However, while we never really lose our ability to metabolize protein, we do lose the ability to synthesize our own as we get older. So, at a time when we actually require more protein to stay healthy and strong (given that our muscles account for 60% of the body's protein stores),

we're actually getting less.<sup>3</sup> As such, any interventions for sarcopenia should also focus on meeting all nutritional requirements. Unfortunately, most of us tend to adhere to the same diet throughout our lives, and consequently many seniors find themselves protein-deficient.<sup>4</sup>

(It's important to point out that a recent study showed that due to the anabolic resistance of aging, dietary protein is not as effective in older adults,<sup>5</sup> which means no matter how much protein you eat, you will never achieve a balance between how much muscle protein is produced and how much is lost.)

When it comes to disability, the loss of muscle mass and strength is a significant risk factor in the aging population.<sup>6</sup> And when coupled with other diseases associated with aging, sarcopenia's effects can be even more pronounced. For example, when patients suffer from both sarcopenia and osteoporosis, the risk of falling and fractures—and the accompanying loss of autonomy—rises precipitously.<sup>7</sup> But perhaps the most powerful indication that the loss of skeletal muscle (and the accompanying loss of strength) is vitally important stems from its propensity to act as a precursor and predictor of future mortality in middle-aged and older adults.<sup>8</sup>

Many scientists still believe sarcopenia is an inevitable fact of life for those who live long enough, but the process is significantly more complicated than that. Although primarily a condition of older individuals, sarcopenia's development may be associated with conditions that impact younger generations as well, such as the correlation between inactivity and the corresponding loss of muscle mass and strength.

**However, the medical community has identified three primary factors that cause muscle loss:**

1. **Hormone decline**
2. **Protein deficiency**
3. **Motor unit restructuring**

Motor units are muscle fibers (slow twitch and fast twitch) and the motor neurons that command them.

Fast twitch muscle fibers tend to die off first, and when this occurs, muscle fibers like these that are no longer commanded by a motor neuron are in danger of atrophying (muscle death). The body combats this by instructing the closest slow twitch motor neuron to take over (motor unit restructuring), but when a slow twitch fiber replaces a fast twitch fiber, it results in a loss of coordination, balance and general slower reflexes and muscle reactions, all of which are common symptoms among older adults.<sup>3</sup>

Individuals who have maintained an active lifestyle typically have more lean body mass and muscle mass even at an advanced age,<sup>9-10</sup> and resistance weight training exercise has been shown to be particularly effective for slowing and even reversing the age-related loss of skeletal muscle by helping the body to synthesize protein better. This in turn suggests that physical activity should be utilized as a protective factor for both the prevention and the management of sarcopenia.<sup>3</sup>

In fact, one USDA study showed that elderly participants who did resistance training for 45 minutes three times/week over a three-month span showed an average increase of 32 percent muscle fiber and a corresponding 30 percent increase in strength.

# LIVE STRONGER AT ANY AGE™ WITH MYOHEALTH™

Whether you're an older adult looking to increase your mobility and enhance your quality of life or a weekend warrior chasing a new personal best, we'd all like to build leaner, stronger muscle mass. Unfortunately, we don't always have the time to eat properly or get the amount of exercise we should.

### **More energy. More vitality. More strength. More mobility.**

To ensure every year is a great year, regardless of your age, TriVita has created an exciting new breakthrough in nutrition science—the MyoHealth™ line. Initially developed to stop, restore and prevent muscle loss in astronauts and bedridden seniors, MyoHealth contains a perfectly blended mix of all nine Essential Amino Acids (EAA), which have been proven in human clinical trials led by Dr. Robert Wolfe to help support muscle strength and function by helping your individual muscle fibers work better.

**As the first—and only—EAA complex to contain  
Dr. Wolfe's patented Essential Amino Acid formula,**

#### **Reference:**

1 [healthyeating.sfgate.com/many-amino-acids-body-require-6412.html](http://healthyeating.sfgate.com/many-amino-acids-body-require-6412.html)

the EAA blend in MyoHealth represents a monumental breakthrough in nutritional science. Amino acids play a key role in the synthesis of new protein, and each of the nine amino acids found in MyoHealth is needed to jumpstart the protein molecule process. That's important because **EAA can't be produced in the body. You can only get them through diet or supplements.**

There are 20 primary amino acids in your body's proteins, 9 of which are essential to your diet because your cells cannot manufacture them. These amino acids (histidine, isoleucine, leucine, lysine, methionine, phenylalanine, threonine, valine, and tryptophan) are known as Essential Amino Acids.<sup>1</sup>

Over 30 years in the making, MyoHealth's formula was developed based on findings from the National Aeronautics and Space Administration (NASA), research funded by the National Institutes of Health (NIH) and 24 human clinical trials. The research was led by Dr. Robert Wolfe, a leading authority on amino acids, a renowned expert in the fields of nutrition and muscle metabolism and a record-setting amateur athlete.

# WHAT THEY'RE SAYING ABOUT MYOHEALTH:

“As you get older you lose muscle; you just do. But since I started talking MyoHealth, I can now open lids without any additional assistance, including water bottle lids, which I never could do before. I began taking MyoHealth about a month ago, and now I'm just stronger all over. I've even seen my muscles become tighter and my body take on more tone. I can even run up and down stairs again. I just feel really good.

*MyoHealth has surpassed my greatest expectations—and it tastes great, too! Everybody needs to be on this product.”*

— Donna P.,  
member since 2010

“I just finished the 30-Day MyoHealth Challenge, and all I can say is WOW! I have an inflammatory condition and experience a lot of discomfort, especially in my back. Since taking MyoHealth, my discomfort has reduced dramatically and I feel stronger every day. At 68-years-old I can now walk up the stairs without holding onto the railing and feel stronger and more energetic than I have in a very long time. I love MyoHealth!”

— Ruth D.,  
member since 2004

“Since I started taking MyoHealth and completed the 30-Day Challenge, I've experienced increased energy and the muscles everywhere on my body have begun taking on new dimensions. My physiotherapist of 10 years asked why I suddenly have the calf muscles of a cyclist. Little does she know that I haven't been on a bike in 20 years. MyoHealth is truly an amazing product!”

— Alain G.,  
member since 2009

“When I was younger, I was very active and played football in both high school and college. But as the years passed, I became more sedentary and my activity, ability and fitness level all steadily declined. At the urging of my family, I finally joined a gym, and taking MyoHealth Essential Amino Acid Complex prior to my workouts has given me the added boost I need. Plus, I feel like I recover quicker. Thanks, TriVita!”

— Kevin B.,  
member since 2011

“Since starting on MyoHealth, I'm more active, my strength training and cardio exercise have improved, and so has my energy!”

— Susan T.,  
member since 2000

# Essential amino acids: The backbone of MyoHealth™

## Build muscle the EAAasy way

With hundreds of companies touting thousands of supplements, how can you be sure that MyoHealth is any different than all of the other products that promise to build stronger, leaner muscle? Simple. With MyoHealth Essential Amino Acid (EAA) Complex, it starts with the perfectly blended mix of all 9 EAAs that go into every canister and the years of science that went into developing this formula.

## What's so important about Essential Amino Acids?

- Muscle is the main reservoir of amino acids in the body<sup>1</sup>
- Muscle needs protein to grow, but the body cannot produce protein on its own
- Essential Amino Acids are the cellular building blocks of protein<sup>1</sup>
- Muscle is always in a state of breakdown and synthesis, or “turnover,” which is an important process to get rid of old damaged muscle fibers and replace them with new healthy fibers<sup>1</sup>
- Muscle serves many important metabolic functions beyond supporting physical movement

MyoHealth contains the first U.S. patented Essential Amino Acid (EAA) complex that includes all 9 EAAs. But it wasn't easy getting there. The formula behind our Essential Amino Acid Complex took 20 years to develop, cost over \$20 million in research and development and underwent 24 human clinical trials, including NASA space flight and patient bed rest studies.

## Available in a delicious easy-to-mix lemonade flavor, MyoHealth Vegan powder includes:

- The daily recommended dosage of 3.6 grams of EAAs per scoop
- No sugar or carbohydrates and no side effects
- Stevia, a natural sweetener
- Generally Recognized as Safe (GRAS) certified EAA formula

“I'm 64, slightly overweight and have had 2 knee operations. My job includes looking after a fit and energetic young autistic man and we often hike together for exercise. While it normally takes us 90 minutes and leaves me huffing and puffing and my muscles aching, since taking MyoHealth we now complete our hike in 75 minutes and I leave my young companion out of breath.”

— Bernard O.  
member since 2008

## MyoHealth Amino Acid Complex Vegan Capsules:

- Clinically proven to support muscle strength and function while decreasing muscle loss
- GMO free and contain no fillers, additives or preservatives
- GRAS certified EAA blend
- Contain a perfect balance of all nine essential amino acids to help your body synthesize protein and optimize your muscle health

## MyoHealth Vegan Protein Shake

# The clinically proven path to muscle health

You work hard to make a great life for yourself and your family. But what good is all that hard work if you're too weak and frail to enjoy the fruits of your labor?

### A quicker, simpler, more practical and more convenient way to maintain an active lifestyle

Building stronger, healthier muscles doesn't have to involve a rigorous exercise regime or other drastic measures. The Essential Amino Acid (EAA) complex in MyoHealth shakes has been proven in human clinical trials to support muscle strength and function in all adults. And because muscle is more compact than fat, your body is leaner, stronger and more fit.

### Available in a delicious easy-to-mix vanilla flavor, MyoHealth Shakes:

- Contain 21 grams of pure plant-based, pea & rice protein and 1.5 EAAs per serving
- Vegetarian safe
- GRAS certified EAA blend
- Clinically proven to support muscle strength and function
- First U.S. patented EAA complex to contain all 9 EAAs
- Enhance the protein synthesis process
- Low calorie

### PLUS:

MyoHealth shakes help increase your metabolism and muscle strength and build stronger, leaner muscle.

### Does not contain:

- Dairy, soy, gluten, lactose, caffeine, GMO, sugar, synthetics or additives, and no side-effects

## MyoHealth™ Vegan Protein - Vanilla

#30850 **\$59.99**

**Earn 240 VitaPoints!**

**Suggested use:** Mix 1 (one) scoop of MyoHealth protein shake with 8 oz. or more of water or your favorite beverage. Mixes best in shaker bottle.

### COMPARED TO WHEY PROTEIN ISOLATE, THE EAA COMPLEX IN MYOHEALTH SHAKES DELIVERS:

- 3x greater anabolic response
- 3x greater net gain of muscle protein
- Faster acting

### MyoHealth™ Vegan Protein - Vanilla

**Quantity:** 670 g (23.6 oz) **Serving size:** 1 scoop (33.5 g) (20 servings)

**Amount per serving:** Patented Amino Acid Blend 1.5 g\*\*\*: L-Leucine, L-Lysine HCl, L-Valine, L-Isoleucine, L-Arginine, L-Threonine, L-Phenylalanine, L-Methionine, L-Histidine, L-Tryptophan.

**Other ingredients:** Protein blend (Pea protein isolate, pea protein concentrate, rice protein), natural flavors, salt, stevia blend (organic glucosylated steviol glycosides, organic rebaudioside A), guar gum, sunflower lecithin and silica.

# Healthy inflammation and immune support start here

Experience greater wellness with Nopalea™

## AUTHOR BIO:

ROBERT SHEELER, M.D.

Dr. Robert Sheeler is a Board Certified Family Physician who spent a substantial part of his career at Mayo Clinic. In addition to Family Medicine, he is also Board

Certified in Integrative Medicine and Urgent Care, and is certified in Functional Medicine.

The fruit of the Nopal cactus has been used by indigenous cultures for many centuries for its healing properties. Many of the plant's benefits are thought to derive from a powerful class of nutrients called Betalains. Betalains are compounds found within the prickly pear (nopal) fruit that have powerful antioxidant properties. They're also what give the cactus fruit its distinctive bright red color.

After learning of the restorative qualities of the nopal fruit, which is found in the Sonoran Desert in the southwestern U.S. and in contiguous areas of northern Mexico, TriVita® went to work to create Nopalea. However, while Nopalea is derived principally from these wonderfully restorative fruits, we didn't stop there. To further enhance Nopalea's therapeutic qualities, we combined the Nopal cactus fruit with a number of other plant-based ingredients known to have various health benefits. These ingredients include everything from beet juice and papaya to raspberry, cranberry and pomegranate.

Nopalea has two significant health properties. Along with the other ingredients, the Nopal cactus has both antioxidant and anti-inflammatory effects. Diets rich in fruits and vegetables have been shown to contain levels of antioxidants that confer health benefits, hence the recommendation from most health experts to include several servings per day of fruits and vegetables. Nopalea combines several different ingredients to have a broad spectrum of antioxidant compounds.

At the level of our cells much of the damage that occurs is from oxidation. Our bodies need to combine oxygen

with the foods we eat to efficiently create energy. This process of creating energy using oxygen produces high amounts of energy and also creates free radicals, which can harm the cells themselves. The body's immune system also uses intense bursts of reactive oxygen species to defend itself. Both of these processes create species of oxygen molecules that can damage healthy cells.

For much of human history, our diet was rich in healthy antioxidants. It is only recently that we replaced large portions of fruits and vegetables with foods like French fries and charred burgers, both of which have high levels of compounds that contribute to oxidative damage in the body. Eating more fruits and vegetables and taking products like Nopalea may help offset some of the damage to our bodies that is continually being caused by harmful foods and other chemicals we encounter on a regular basis in our modern society.

Nopalea also has anti-inflammatory effects in the body. Research on Nopalea has shown that it decreases inflammatory markers in the body such as CRP – C-reactive protein, which can be an indicator of both local and body-wide inflammatory states. Studies and customers have both demonstrated that Nopalea can improve conditions that may be related to inflammation. Many patients report they have benefited from a higher initial dose of Nopalea for the first 1-2 months, followed by a lower maintenance dose on an ongoing basis.

For much of human history, our diet was rich in healthy antioxidants. It is only recently that we replaced large portions of fruits and vegetables with foods like French fries and charred burgers...products like Nopalea may help to offset some of the damage to our bodies that is continually being caused by both harmful foods and other chemicals we encounter on a regular basis in our modern society.

Given the damaging effects of both inflammation and oxidation on the body, products such as Nopalea that contain healthy plant antioxidants and have been proven to reduce inflammation may be a wise choice for modern times.

## What is inflammation?

As an essential part of the body's healing process, inflammation occurs at the cellular level when the immune system tries to fight off disease-causing germs or debris from an injury and repair the injured tissue.<sup>1</sup> Once the fight is over, the inflammation-triggering substances are supposed to retreat. When they don't, it destroys the balance in your body and makes you more susceptible to aging and disease.<sup>2</sup>

### WHAT CAN CAUSE INFLAMMATION?

The lifestyle of the western world bombards us with more inflammatory triggers than our bodies can handle. This includes:

**A convenience diet** – Processed foods, refined sugar, simple carbs and refined grains. Simple sugars and starches elevate insulin levels, triggering inflammation.

**High omega-6 fatty acids intake** – This comes from popular processed oils like vegetable, safflower, canola, corn or margarine. Omega-6 sets off inflammatory precursors, which encourage your system to overreact to normal stimuli.

### Smoking (or inhaling second hand smoke) –

Smoking creates free radicals that lead to atherosclerosis and also create more inflammation, which increases plaque formation in arteries.

**Too little or too much exercise** – Just as lack of exercise promotes low-grade inflammation, over-exercising puts your body in a chronic state of inflammation because your tissues can't properly rest and recover.

**Stress or lack of sleep** – Both situations release the hormone cortisol, creating inflammation. The longer you're under stress or get fewer than 8 hours of sleep each night, the more inflammation you create.

**Excess bodyweight** – Fat cells release cytokines (small secreted proteins that affect inter-cell communication). And excess fat cells create a constant, low-grade inflammation throughout the body.

**Certain foods** – Refined carbohydrates, such as white bread and pastries, French fries, margarine, shortening and lard, certain red meats, soda and other sugar-sweetened beverages all lead to inflammation.<sup>3</sup>

## How to combat inflammation

### Exercise<sup>3</sup>

Stay physically active to lower inflammation in the body. Getting 30-45 minutes of moderate-intensity aerobic exercise five or more times per week may help.

### Eat Better<sup>4</sup>

Eat more foods like tomatoes, green leafy vegetables such as spinach, kale and collards, nuts like almonds and walnuts, fatty fish like salmon, mackerel, tuna and sardines, and fruits such as blueberries, cherries, strawberries and oranges.

### Take Supplements<sup>5-7</sup>

Boost your body's vitamin level by taking Vitamin A, Vitamin B6 (see *Alfred Libby's B-12*, page 23), Vitamin C (see *Vital C*, page 27), Vitamin D (see *Essential D*, page 24), Vitamin E, Vitamin K (see *VitaCal-MagD K2*, page 62), Omega 3 (see *Omega3 Prime*, page 31), Nopalea (see page 21) and Turmeric (see *Promeric 95*, page 25).

# Protect Your Body with Nopalea

Maintaining the mobility and vitality to do what you love is essential to living a fulfilled life. Even though you stay active and try to fuel your body with the right nutrients, it may not be enough. Your body is constantly fighting off germs, bacteria and other threats that can damage your cells and hinder your health.

Inflammation is necessary for a healthy body. When cells face injury and stress, your immune system responds with inflammation to restore impaired cells and protect the healthy ones. However, if inflammation is unmanaged, it may leave you more vulnerable to adverse health conditions.

## Rebalance inflammation and immune support with Nopalea

It's not possible to avoid every environmental and biological trigger, but you can support your immune system's normal and essential anti-inflammatory functions with Nopalea. Research on Nopalea has shown that it decreases inflammatory markers in the body such as CRP – C-reactive protein, which can be an indicator of inflammation.<sup>1</sup>

Nopalea contains a high concentration of plant-based nutrients called Betalains that have potent antioxidant properties and gives Nopalea its rich ruby color. Betalains strengthen antioxidant defenses and help protect cells from oxidative damage. It does this by neutralizing your body's inner toxins and helps to reduce inflammation. Nopalea provides your body with the relief it needs today while protecting it against tomorrow's dangerous health conditions.

## Protect your cells for better health

Healthy cells are in a state of balance, but when cells are under stress, they cannot repair themselves normally. When you drink Nopalea, Betalains begin to restore your body's vitality at the cellular level. They do this by helping your body reduce the toxins surrounding cells, which allow essential nutrients to reach each damaged cell and nourish it. As a result, cells are energized to replace damaged tissues, reduce reactive inflammation and rebalance the natural inflammatory response.

To enhance Nopalea's therapeutic qualities, we combined the Nopal cactus fruit with other plant-based ingredients known to have various health benefits. These ingredients include everything from beet juice and papaya to raspberry, cranberry and pomegranate. Nopalea may help to offset some of the damage caused by our modern lifestyles and lower inflammation.

## Nopalea

# Healthy inflammation support from the Sonoran superfruit

*"I've never felt better since I started taking TriVita products, especially Nopalea."*

- Real D.,  
Member since 2010

Since we first introduced it nearly ten years ago, Nopalea has been a top product and for a good reason! Nopalea is a delicious, nutrient-dense drink originating from the fruit of the Nopal cactus (also known as prickly pear) found in the Sonoran desert. The superfruit contains potent antioxidants called Betalains that restore your body's vitality at a cellular level.

### With daily use, Nopalea may help your body:

- Support the normal and essential anti-inflammatory function performed by the immune system
- Reduce inflammation
- Detoxify
- Promote cellular health

*"I had back and nerve issues and Nopalea helped a lot. It's the only product that worked. I've now been taking it for 8 years."*

- Brigida P.,  
Member since 2004

**Suggested Use:** When taking Nopalea for the first time, drink 3 ounces in the morning and 3 ounces in the evening for 60 days. For maintenance, drink 1–3 ounces daily depending on your body's needs. May be mixed with water or your favorite beverage. Keep refrigerated.

#### Nopalea™ liquid

Quantity: 32 fl oz Serving size: 1 fl oz (30 ml)

**Ingredients:** Proprietary Blend Total 10.1 g: Nopal Fruit Puree (*Opuntia ficus-indica*), Beet Juice Powder (*Beta vulgaris*), Cranberry Powder (*Vaccinium macrocarpon*), Papaya Fruit Powder (*Carica papaya*), Orange Juice Powder (*Citrus sinensis*), Tomato Concentrate Powder (*Lycopersicon esculentum*), Strawberry Powder (*Fragaria ananassa*), Apple Powder (*Malus pumila Mill.*), Guava Powder (*Psidium guajava*), Peach Fruit Powder (*Prunus persica*), Mango Fruit Powder (*Mangifera indica*), Apricot Powder (*Prunus armeniaca*), Acerola Berry Concentrate (*Malpighia glabra L.*), Red Raspberry Powder (*Rubus idaeus*), Kiwi Fruit Powder (*Actinidia chinensis*), Lemon Juice Powder (*Citrus limon*), Pomegranate Powder (*Punica granatum*), Bilberry Fruit Extract 4:1 (*Vaccinium myrtillus*), Grape Seed Extract (*Vitis vinifera*), Green Tea Leaf Extract (*Camellia sinensis*).

**Other Ingredients:** Purified Water, Agave Nectar, Ascorbic acid, Beet root powder (*Beta vulgaris*), Potassium Sorbate (to protect freshness), Cherry Powder, Natural Flavor, Stevia Leaf Extract, Xanthan Gum and Guar Gum.

#### Nopalea™ capsules

Quantity: 90 capsules Serving size: 3-6 capsules

**Amount per serving:** Nopal fruit puree (*Opuntia ficus-indica*, fruit) 1,800 mg.

**Other ingredients:** Vegetable capsule, natural colors, microcrystalline cellulose, vegetable magnesium stearate, silica.

# THE VITAMIN B-12/ENERGY LINK

Vitamin B-12 plays a key role in metabolism—all the physical and chemical processes in the body that convert or use energy. These body functions include everything from breathing and blood circulation to contracting muscles and eliminating waste.

B-12 also helps form red blood cells and keeps our central nervous system running. When we don't get enough of this powerhouse vitamin, a whole host of physical and mental problems can ensue, such as:

- Fatigue
- Loss of balance
- Anemia
- Memory problems

Ideally, we'd get all of the B-12 we need from animal products such as eggs, meat, milk, poultry and shellfish. However, very few of us eat ideally. Plus, as time passes, the body is less able to absorb all the B-12 it needs.

## WHY I RECOMMEND SUPPLEMENTATION

B-12 plays a critical role in metabolism, and metabolism affects both our physical and mental functioning. In my own practice, time and again I've seen many patients make remarkable turnarounds once their B-12 deficiency was diagnosed and corrected.

## Alfred Libby's Original Patented B-12 & Super B-12

# Essential vitamin support for energy, mental clarity and focus

### Why our formula matters

Alfred Libby's Slow Dissolve B-12 Tablets were formulated with his patented technology that enhances the absorption of these critical nutrients.

While chewing and swallowing Alfred Libby's Slow Dissolve Tablets might be tempting given their sweet taste, it is crucial to their effectiveness that you allow them to dissolve completely under the tongue. You'll still get the great taste, plus the full benefit of these nutrients... his patented slow dissolve process helps to make sure you get the B-12 you need when you need it!

*"When I take the Slow Dissolve B-12, I don't get the 2:00 or 3:00 p.m. crash that I used to get. After I stopped using it for a little while, I realized I needed to start taking it again."*

- Pamela P.,  
Member since 2000

### Formulation features:

#### Alfred Libby's Slow Dissolve B-12

- 1,000 mcg of B-12
- Includes Vitamin B-6
- No artificial preservatives
- 100% DV of folic acid
- Original berry flavor

#### Alfred Libby's Slow Dissolve Super B-12

- 3,000 mcg of B-12
- Mixed berry flavor
- No artificial preservatives
- Includes Vitamin B-6, folic acid, biotin and ginseng

#### THIS PRODUCT IS ALSO GREAT FOR:

- CARDIOVASCULAR SYSTEM SUPPORT**
- BRAIN & NERVE HEALTH SUPPORT**

### Alfred Libby's B-12 Tablets

#30140 **\$19.99**

**Earn 80 VitaPoints!**

### Alfred Libby's Super B-12 Tablets

#33356 **\$22.99**

**Earn 92 VitaPoints!**

**Suggested Use:** Adults and children over 10, take 1 slow dissolve tablet daily or as directed by a healthcare professional. Let dissolve in mouth or under tongue; do not swallow whole.

#### Alfred Libby's Slow Dissolve B-12 Tablets

**Quantity:** 30 tablets **Serving size:** 1 tablet. For best results we suggest 3 tablets a day for the first 10 to 14 days. After that, take at least 1 to 2 B-12 tablets daily.

**Amount per serving:** Vitamin B6 (as pyridoxine HCl) 5 mg, Folate (as folic acid) 400 mcg, Vitamin B-12 (cyanocobalamin) 1000 mcg, Biotin 25 mcg.

**Other ingredients:** Sorbitol, mannitol, stearic acid, silica, magnesium stearate, natural flavor, stevia leaf extract, alphaketoglutaric acid, sodium starch glycolate.

#### Alfred Libby's Slow Dissolve Super B-12 Tablets

**Quantity:** 30 tablets **Serving size:** 1 tablet

**Amount per serving:** Vitamin B6 (Pyridoxine HCl) 5 mcg, Folic Acid 50 mcg, Vitamin B12 (Cyanocobalamin and Methylcobalamin) 3000 mcg, Biotin 25 mcg, L-Ornithine Alpha Ketoglutarate 25 mcg, Cocosin (cocos nucifera) (tender coconut water) 5 mg, Ginseng Powder (root) 5 mg.

**Other ingredients:** Sorbitol, mannitol, fructose, stearic acid, silica, magnesium stearate, malic acid, natural flavor, calcium sulfate and hydroxypropyl cellulose.

## Essential D

# Easy-to-swallow soft gels packed with a healthy dose of Vitamin D3

Many of us don't get enough Vitamin D. Causes of this deficiency may include:

- Getting older.** Vitamin D gets harder to absorb and synthesize with age.<sup>1</sup>
- Staying indoors.** Your skin needs sunlight in order to make Vitamin D.<sup>2</sup>
- Sunblock.** Using SPF 8+ may reduce the skin's Vitamin D synthesis by 95%.<sup>3</sup>
- Overweight.** Carrying extra pounds may create D insufficiency risks.<sup>4</sup>

### DID YOU KNOW?

Just one soft gel supplies 5,000 IU of Vitamin D3: the equivalent Vitamin D amount found in 50 cups of milk!<sup>8</sup>

### Essential D: Enhanced & absorbable Vitamin D3

Designed for easy absorption, Essential D starts with 5,000 IU of Vitamin D3 (Cholecalciferol), a bioavailable form that matches what your body produces naturally. The Essential D Proprietary Blend includes:

- Broccoli powder:** Supplies sulforaphane that may help regulate Vitamin D Receptor (VDR) genes.<sup>5</sup>
- Olive oil base:** Oil-based Vitamin D may be absorbed more efficiently than powder-based D.<sup>6</sup>

### Vitamin D supports whole-body wellness:

- Bone density
- Immune function
- Cognitive health
- DNA repair & maintenance
- Muscle health
- Heart health
- Cellular metabolism
- Colon, prostate and breast health<sup>7</sup>

#### THIS PRODUCT IS ALSO GREAT FOR:

- ENERGY, STAMINA & PERFORMANCE SUPPORT**
- MUSCULOSKELETAL SYSTEM SUPPORT**
- NUTRITIONAL SUPPORT**

### Essential D™

#31270 **\$14.99**

**Earn 60 VitaPoints!**

**Suggested use:** Adults take 1 soft gel daily or as directed by your healthcare provider. Do not exceed 2 soft gels daily unless directed by your healthcare provider.

**Essential D™**

**Quantity:** 30 soft gels **Serving size:** 1 soft gel

**Amount per serving:** Vitamin D3 (as Cholecalciferol) 5,000 IU, Vitamin E (as d-alpha-tocopherol) 30 IU, Essential D Proprietary Blend 424 mg: Broccoli Whole Plant Powder, Tocotrienol & Tocopherol Oil, Lecithin, Olive Oil, Plant Based Sterol Esters 100 mg. Other ingredients: Yellow Beeswax, Gelatin, Glycerin, Water and Caramel (color).

**This product contains soy.**

## Promeric 95

# Formulated with turmeric for natural joint comfort and support

Does joint stiffness limit your mobility and disrupt everyday life? You don't have to accept this as inevitable: Now there's Promeric 95—**formulated with turmeric!**

A plant used in traditional Ayurvedic and Chinese medicine to relieve joint discomfort, turmeric is still used as an anti-inflammatory agent in modern, traditional and folk use.<sup>1,2</sup> Modern in vitro studies have found that turmeric exhibits antioxidant and anti-inflammatory properties, including the inhibition of joint inflammation.<sup>1</sup>

### Made from premium turmeric root extract

Promeric 95's premium turmeric root extract has a total 95% curcumin with essential oils from turmeric rhizome for maximum absorption. Curcumin imparts most of turmeric's therapeutic properties. Each serving provides:

- 500 mg total curcuminoids
- Non-GMO turmeric extract
- Small, easy-to-swallow soft gels
- No allergens

Many turmeric supplements are large and difficult to absorb. Promeric 95 soft gels are smaller than typical pills and contain essential oils naturally present in the turmeric plant; this combination of essential oils and turmeric helps aid absorption.<sup>3</sup>

In one study, the turmeric extract used in Promeric 95 was up to seven times more bioavailable than unformulated curcumin. Residual curcumin was detected in the blood eight hours after ingestion.<sup>4</sup>

### DID YOU KNOW?

About 26% of U.S. adults suffer with long-term joint symptoms such as joint discomfort and stiffness, according to the Centers for Disease Control and Prevention (CDC).<sup>5</sup> Joint symptoms can stem from a wide variety of health conditions and injuries—and can affect daily activity and quality of life.<sup>6</sup>

*"My knee was aching, but only one week after I began taking Promeric 95, I noticed a big difference. I highly recommend Promeric 95!"*

- Lonna L.,  
Member since 2003

**THIS PRODUCT IS ALSO GREAT FOR:**

### Promeric 95

#30820 **\$39.99**

**Earn 160 VitaPoints!**

**Suggested use:** Adults, take two soft gels, once or twice daily, or as directed by your healthcare professional.

### Promeric 95

**Quantity:** 60 soft gels **Serving size:** 2 soft gels

**Amount per serving:** Turmeric Root Extract 25:1 Turmeric Root Extract 25:1 (Curcuma longa) [std. to 95% Total Curcuminoids Complex with Essential Oils of Turmeric Rhizome (500 mg)] 581 mg

**Other ingredients:** Gelatin, sunflower oil, purified water, glycerin, sunflower lecithin, bee's wax, riboflavin, and titanium dioxide.

## VisionGuard

# Advanced vision formula to help you see life more clearly

VisionGuard starts with FloraGLO® lutein (10 mg) and zeaxanthin (2 mg): Botanical antioxidants that support vision health,<sup>1,2</sup> but decline in our eyes with age.<sup>3</sup>

### These two key antioxidants:

- Migrate naturally to the eyes, settling in the lens, macula and “high-definition” fovea.<sup>4</sup>
- Act as internal sunglasses, filtering and absorbing the sun’s macula-damaging UV rays.<sup>5,6</sup>
- Replenish macular pigment, a protective retinal layer tied to crystal-clear vision.<sup>7,8</sup>

### VisionGuard extends the antioxidant network with additional eye-supportive botanicals:

**Bilberry:** Traditional eye health fruit concentrated into a 4:1 extract.<sup>9</sup>

**Black currant:** Supplies antioxidant anthocyanins and polyphenols.

**Grapeseed:** Standardized to 80-85% OPCs: Antioxidants tied to glare recovery.<sup>10</sup>

**PLUS:** Antioxidants alpha lipoic acid (ALA), N-Acetyl-L-Cysteine, Vitamin C, natural Vitamin E and zinc.

### Why does VisionGuard use FloraGLO® lutein?<sup>11</sup>

FloraGLO is the most clinically researched lutein brand in the world, as well as the brand most trusted by doctors. A perfect choice for VisionGuard, FloraGLO promotes vision health by:

- Helping defend the eye from free radicals
- Potentially reducing the effects of aging
- Helping protect vision by absorbing harmful UV rays
- Increasing the retina’s protective macular pigment
- Reducing sensitivity to glare and blindingly bright light

### VisionGuard™

## Vital C

# The single solution to support immunity, detoxification and healthy aging

If you only take Vitamin C once in a while for immune health, you may be missing out on its full benefits. Vitamin C can help you look great, be active, stay healthy and more—supporting the vital health pathways that make life joyful.

### Vital C for immune health & whole-life vitality!

Alfred Libby's ORIGINAL formula is available *only* as TriVita's Vital C. Try both non-acidic, pH neutral & buffered Vital C delivery forms and see why they are so popular—experience the daily difference a quality Vitamin C formula can make!

*"I take Vital C Tablets year round. They just make me feel better."*

- Nancy H.,  
Member since 2003

### Vital C Crystal Tablet

- Crystalline C compressed into tablet
- Use along with Crystal Powder or alone
- 1,000 mg Vitamin C per serving

### Vital C Crystal Powder

- Free-flowing crystalline C
- Dissolves easily in liquid
- 4,000 mg Vitamin C per serving

### Feel Vitamin C's Full Potential

Alfred Libby's ORIGINAL formula is designed to support Vitamin C's many roles in whole-life health:

- Immune health<sup>1</sup>
- Youthful skin<sup>2</sup>
- Gum health<sup>3</sup>
- Bone health<sup>4</sup>
- Joint comfort<sup>5</sup>
- Cardiovascular health<sup>6</sup>
- Healthy aging<sup>7</sup>
- Overall vitality!

### Vital C™ Crystal Tablets

#30230 **\$19.99**

**Earn 80 VitaPoints!**

**Suggested Use:** Adults and children over the age of 10, take 1 or 2 tablets daily, with or without food.

### Vital C™ Crystal Powder

#30170 **\$24.99**

**Earn 100 VitaPoints!**

**Suggested Use:** Adults and children over the age of 10, take ¼ to 1 teaspoon daily, with or without food. Stir into water, fruit juice or a beverage of choice.

#### Vital C™ Crystal Tablets

**Quantity:** 60 tablets **Serving size:** 2 tablet

**Amount per serving:** Vitamin C (as sodium L-ascorbate) 1000 mg.

**Other ingredients:** Microcrystalline cellulose, stearic acid, croscarmellose sodium, coating (hypromellose, polyethylene glycol and hydroxypropyl cellulose), magnesium stearate, and silica.

# EARN VITAPOINTS...

## WELCOME TO THE PREMIER MEMBERSHIP REWARDS PROGRAM!

As a member, you can now start earning VitaPoints to help save money on your favorite products—and even receive products for FREE!

- 1 Earn 5X VitaPoints when you refer friends and family** – Share the benefits TriVita products offer you with the ones you love. When you refer others, you earn 5x (20%) points on their first purchase and on every purchase they make for life! The more referrals you make, the sooner you start earning enough to get your products for free!
- 2 Earn 2X VitaPoints with Auto Replenishment Program (ARP)** – Upgrade to ARP and receive double points (8%) with every delivery. ARP means no more worrying about running out of your favorite products or reordering because ARP orders are sent to you once monthly and guaranteed at the lowest advertised price. There's no obligation and you can cancel or change your order at any time.
- 3 Earn VitaPoints on personal product purchases** – You automatically receive points equal to 4% of the total value of your purchase on every product purchase you make.

*Along with FREE standard shipping on all orders over \$89, as a Premier Member you're also eligible for exclusive offers and gifts.*

**Premier Membership is free and makes buying TriVita products more affordable. VitaPoints are redeemable online or by phone.** To check your VitaPoints balance, either visit [TriVita.com](http://TriVita.com), sign in and click on **My Account**, call priority customer service at **855-383-0238** or check your latest **TriVita invoice**. You may use VitaPoints as you earn them or let them accrue for up to 12 months from date of issue.

## Cholestria

# Healthy cholesterol level maintenance and support without toxic side-effects

Cholesterol concerns? Plant sterols may help. Also known as phytosterols, plant-based sterol esters are botanical compounds that mimic cholesterol. By occupying cholesterol's "parking spaces" in the gastrointestinal tract, plant sterols may block LDL ("bad") cholesterol from being absorbed, and instead help to flush it out of the body.<sup>1,2</sup> Cholestria supplies a high-potency 1,000 mg serving of plant-based sterol esters in each soft gel.

### A more complete cardio picture

Cholestria Proprietary Blend complements plant sterols with a nutrient complex designed to support additional aspects of cardiovascular health:

**Bergamot (Citrus Bergamia):** Citrus flavonoids, including the hesperidin found in bergamot fruit, are potent antioxidants linked to a healthy cardiovascular system.<sup>3</sup>

**Vitamin E:** Supplies tocotrienols, multi-tasking antioxidants that help protect cells and regulate a cholesterol-related enzyme called HMG-CoA reductase.<sup>4</sup>

**CoQ-10:** Concentrated in the heart, CoQ-10 supplies fat-soluble antioxidant activity that helps fight the oxidation of LDL cholesterol particles.<sup>5</sup> Also, statin use may deplete CoQ-10 levels.<sup>6</sup>

**TriVita Tropical Blend:** A complex of exotic botanical antioxidants from açai, mangosteen, camu camu and more may help support cardiovascular wellness.

### Help maintain your cholesterol already within normal range with Cholestria!

## Cholestria™

#31290 **\$39.99**

**Earn 160 VitaPoints!**

**Suggested use:** Adults take 1 soft gel twice daily with meals.

*"I've been using Cholestria for nearly five years and my doctor is surprised with my test results. I recommend it to my friends and family because it works."*

- Donna S.,  
Member since 2010

Cholestria™

Quantity: 60 soft gels Serving size: 1 soft gel

**Amount per serving:** Vitamin E (as d- $\alpha$ -tocopherol mixture) 5 IU, Plant Based Sterol Esters 1,000 mg. Cholestria™ Proprietary Blend Total 79 mg: Citrus bergamia (Rind) Extract, Tocotrienol & Tocopherol (palm oil), TriVita Tropical Blend (acai, mangosteen, coffee berry, acerola, camu camu, quercetin, resveratrol, and Pterostilbene), CoEnzyme Q-10. Other ingredients: Lecithin Oil, Yellow Beeswax, Gelatin, Glycerin, Purified Water.

**Contains:** Soybean oil as source of natural Vitamin E.

# OMEGA-3: ONE KEY TO STAYING HEALTHY

While saturated fats have been shown to raise the level of cholesterol in the blood, polyunsaturated fatty acids (PUFA) such as omega-3 have been linked to healthy aging because they adjust cholesterol and triglycerides in the blood, thereby benefiting your heart and arteries.<sup>1-5</sup> Further research has shown that omega-3s actually help thin the blood and lower levels of circulating fatty acids.<sup>6</sup>

## DIETARY FAT FACTS

The body is fully capable of producing saturated and monosaturated fats, so there is no need for either to be supplied through your diet. However, there are two separate types of PUFAs the body is unable to make, and each of these particular fats *do* need to be obtained from food or supplements.<sup>7</sup> These fats are:

- **Alpha-linolenic acid (ALA), an omega-3 essential fatty acid**
- **Linoleic acid (LA), an omega-6 essential fatty acid<sup>8</sup>**

## OMEGA-3 AND HEART DISEASE

Physicians commonly prescribe omega-3s to help lower the risk of heart disease.<sup>3-5</sup> In addition, the American Heart Association recommends omega-3 fish and fish-oil supplements in varying doses depending on your health status and medical conditions.<sup>6</sup> Yet, because our bodies inefficiently produce some omega-3s from marine sources, we need to obtain adequate amounts elsewhere.<sup>8</sup>

## OMEGA-3 HEALTH FACTS:

- The typical American diet contains 14 to 25 times more omega-6 fatty acids than omega-3s, making omega-3 supplements essential for most adults.
- 84,000 heart-related deaths in the U.S. could be prevented annually with just 250 mg. of omega-3 fatty acids eicosapentaenoic acid (EPA) & docosahexaenoic acid (DHA) daily, the equivalent of two 4 oz. servings of seafood per week.<sup>9,10</sup>

## DIETARY SOURCES OF POLYUNSATURATED FATS

### Omega-6 fatty acids

- Sunflower seeds
- Sunflower, soybean, sesame oils
- Nuts (walnuts, pecans, pine nuts)
- Corn/Safflower oil

### Omega-3 fatty acids

- Oily fish (salmon, sardines)
- Spinach and broccoli
- Eggs and lean meats (beef/chicken)
- Plant sources (flaxseed, walnuts, soybeans and canola oil)

## Omega3 Prime

# Premium fish oil concentrate for brain, heart and joint support

Omega-3 fatty acids EPA and DHA are among the most important brain health nutrients. When we're young, omega-3s help brain development;<sup>1</sup> in later years they protect against cognitive decline;<sup>2</sup> and throughout our lives they optimize brain cells for healthy function.<sup>3-5</sup>

The problem? Most of us don't get enough EPA or DHA.<sup>6</sup> Fish oil supplements can help, but the market is littered with inferior products that may be rancid and fishy (often masked by dark soft gels), low in potency or harvested from polluted waters.

*"My 93-year-old mother, who has dementia, was very irritable prior to taking Omega3 Prime. Now she's more calm and has longer periods of clarity."*

- Dianna D.,  
Member since 2012

### Omega3 Prime contains premium golden fish oil concentrate that is carefully formulated to be:

**Potent:** 1,000 mg serving is concentrated in omega-3s: 670 mg EPA and 125 mg DHA

**Convenient:** Just two small, easy-to-swallow soft gels make omega-3s a breeze to take

**Pleasant:** Natural lemon-flavored soft gels—no fishy odor or aftertaste

### Quality, every step of the way:

- Highly refined and pharmaceutically distilled to provide the most pure form of omega-3s
- Multi-level testing with traceability throughout our supply chain, all the way to the finished product
- High quality control standards that help ensure potency, limit fish oil oxidation, neutralizing fishy odor and aftertaste
- TriVita promotes sustainability to preserve the long-term health of oceans, by sourcing the omega-3 fish oil from *Friend of the Sea* suppliers. Friend of the Sea (FOS) is a registered non-profit non-governmental organization (NGO) that was founded in 2006 to conserve marine habitats and resources.

**THIS PRODUCT IS ALSO GREAT FOR:**

 **HEALTHY INFLAMMATION SUPPORT**

### Omega3 Prime™

#31320 **\$29.99**

**Earn 120 VitaPoints!**

**Suggested use:** Adults, as a dietary supplement take 2 soft gels daily.

**Omega3 Prime™**

**Quantity:** 60 soft gels **Serving size:** 2 soft gels

**Amount per serving:** Omega-3 Fish Oil 1,000 mg, EPA (Eicosapentaenoic Acid) 670 mg, DHA (Docosahexaenoic Acid) 125 mg, Omega-3 Other 205 mg.

**Other Ingredients:** Gelatin, glycerin, purified water, and lemon oil.

## Nopalea Daily Cleanse

# A delicious tropical detox for every day, all day wellness

Everyday, toxins surround us. In the air we breathe, the food we eat and the water we drink—even in our offices and homes—our health is threatened by daily assaults from chemicals, pollutants and impurities.<sup>1</sup>

If you're concerned about how toxins may be affecting you, you'll want to know about Nopalea Daily Cleanse. It brings you the goodness of the famed Nopal cactus, a plant that thrives in some of the harshest environments on earth.

### Bounty from the Sonoran Desert

The ingredients in TriVita formulations come from all over the world. Right in our own Arizona backyard, we found native Sonoran Desert plants that offer beneficial properties. We tapped the expertise of local botanists, and the native people, to focus ultimately on the remarkable Nopal cactus.

### Easy, convenient everyday wellness

From the leaf of the Nopal cactus, we've extracted an exclusive formula that's easy-to-use and easy to include in your daily routine.

To enjoy the delicious tropical fruity taste every day, mix one scoop of powder into eight or more ounces of water every morning, with or without food. To put the unique formula of Nopalea Daily Cleanse to even better use, take a second serving in the evening for your first 30 days.

**Don't confuse Nopalea Daily Cleanse with other much stronger products designed for occasional use. Make Nopalea Cleanse part of your daily wellness routine.**

## Nopalea™ Daily Cleanse

#30800 **\$49.99**

**Earn 200 VitaPoints!**

**Suggested use:** Mix one scoop into eight or more ounces of water every morning, with or without food. For a deeper cleanse, add a second serving every evening for the first 30 days.

### Nopalea Daily Cleanse

**Quantity:** 7.9 oz (225 g) **Serving size:** 1 scoop (7.5 g)

**Amount per serving:** Dietary Fiber [as Psyllium (Seed) Powder, Fibersol®-2 Soluble fiber (soluble corn fiber), Xanthan Gum] 1 g, Magnesium (as Magnesium Oxide) 85 mg, Proprietary blend; 2,560 mg Nopal (Opuntia spp. leaf) Powder, Beet (Beta vulgaris root) Juice Powder, Cranberry (Vaccinium macrocarpon fruit) Extract, Milk Thistle (Silybum marianum seed) Extract, Sage (Salvia officinalis & S. miltiorrhiza leaf) Extract, Turmeric (Curcuma longa rhizome) Extract, Artichoke (Cynara scolymus leaf) Extract, Black Tea (Camellia sinensis leaf) Powder, Aloe Vera (Aloe barbadensis inner leaf) Juice Powder, Bergamot Orange (Citrus bergamia fruit) Powder, Burdock (Arctium lappa root) Powder, Dandelion (Taraxacum officinale root) Extract, Green Tea (Camellia sinensis leaf) Extract, Chinese Rhubarb (Rheum palmatum root) Powder, Licorice (Glycyrrhiza glabra root) Extract, Senna (Cassia angustiflora and C. acutifoliae leaf) Extract, Sheep Sorrel (Rumex acetosella aerial parts) Powder, Slippery Elm (Ulmus rubra bark) Powder, Uva-ursi (Arctostaphylos uva-ursi leaf) Extract.

**Other ingredients:** Cane sugar, natural flavor, citric acid, malic acid, steviol glycosides (Stevia rebaudiana leaf extract).

Fibersol®-2 is a registered trademark of Matsutani Chemical Industry Co., Ltd.

## Adaptuit. For a more relaxed you.

Newly formulated Adaptuit delivers some of the most important and well-known adaptogens including:

**Eleutherococcus senticosus extract 4:1 (root):** Eleuthero is known to reduce cardiovascular responses to stress while helping with overall stress adaptation.<sup>1</sup>

**Schisandra chinensis extract 10:1 (Fruit):** Vining shrub's berry is used in folk health practices to increase endurance, coordination, mental sharpness and work capacity.<sup>2</sup>

**Rhodiola rosea root extract 4:1:** Russia's "Golden Root" herb may help both physical and mental performance while reducing fatigue under stressful conditions.<sup>3</sup>

*Eleutherococcus senticosus* root is believed to have adaptogenic effects on the adrenal glands, whereas Rhodiola and Schisandra are believed to act as central nervous system adaptogens.<sup>4-9</sup>

Adaptuit

# Supports daily stress relief for a calmer, more relaxed you

CONTAINS  
THE UNIQUE  
CALMING  
COMPOUND  
L-THEANINE

Everyone has some kind of stress that they experience day in and day out, from financial and health stress to relationship, work and physical stress.

We all try our best to *adapt* to our particular stressors, but sometimes we need help.

Adaptuit with L-Theanine is formulated from a source of adaptogens that promote daily stress relief and well-being, while promoting an acute feeling of relaxation.

*“Adaptuit helped me manage my stress during a long-term caregiving job. I took 3 oz. in the morning and 2 oz. at the end of the day and it made a big difference.”*

- Mary D.,  
Member since 2011

- L-Theanine is the unique, calming compound present in green tea, but without the caffeine.<sup>10,11</sup>
- Adaptuit contains 125-375 mg of L-Theanine, per 1-3 fl oz. For comparison, there are approximately 25-60 mg of L-Theanine per 200 ml serving of tea.<sup>13</sup>

L-Theanine has been shown to have positive effects on human health, such as promoting a feeling of calm, immune system support, and potentially counteracting the effects of caffeine.<sup>12,13</sup>

VitaDaily

# A once daily multi-vitamin to support your complete nutritional needs

Ever read a typical multi-vitamin's label? You may be surprised to see artificial food dyes, fake flavors and synthetic preservatives. Keep looking, and you may find “mega-doses” that seem to have way more nutrition than you want or need.

## Finally! A multi-vitamin with no “bad stuff”

VitaDaily—TriVita's once daily multi-vitamin—is here to change all that. We've crafted the ideal multi-vitamin for anyone who wants *clean* daily nutrition without unnecessary additives or excessive mega-doses that some other brands use. VitaDaily is:

**Comprehensive:** Supplies 100% daily value of 19 essential vitamins and minerals.

**Convenient:** Small and easy-to-swallow tablets; just take one every day.

**Dissolvable:** Dissolved in under 30 minutes.

VitaDaily is formulated to help make your life healthy and easy: Just take it once in the morning, and get on with your day!

## Is your nutritional intake “suboptimal”?

Nutrient deficiency may not be the only dietary concern to worry about. Researchers have noted that “suboptimal” nutrient intake—which is above deficiency levels—may *still* be a risk factor for many health concerns. Suboptimal nutrient intake is common in adults, especially the elderly.<sup>1</sup>

### ARE YOU GETTING ENOUGH?

Many Americans could use help hitting their nutritional targets for overall health.<sup>2</sup>

- 34% need more Vitamin A
- 25% need more Vitamin C
- 70% need more Vitamin D
- 60% need more Vitamin E
- 38% need more Calcium
- 45% need more Magnesium

VitaDaily™

## Zamu Protect

# Promotes antioxidant protection against free radical damage

The body is exposed to free radicals from a variety of environmental sources such as pollution, sunlight and toxins in our air, food and water supply. In addition to these external factors, our cells also face constant threats from free radicals generated during normal metabolic processes inside the body. Free radicals cause oxidative stress, a process that triggers cell and genetic material damage, which can lead to a variety of health problems.<sup>1,2</sup>

Zamu Protect includes a wide array of antioxidants and botanicals, natural substances that may stop or limit the damage caused by highly unstable molecules such as free radicals. Zamu Protect also contains unique antioxidants from the Amazon Rainforest such as:

- Peruvian purple corn<sup>3</sup> and maqui<sup>4</sup>, which contain anthocyanins, a type of flavonoid with antioxidant effects.<sup>5</sup>
- Camu camu, one of the richest sources of Vitamin C.<sup>6</sup>
- Green Tea, which provides the best source of catechins. Catechins are more powerful than Vitamin C and E in halting oxidative damage to cells.<sup>7</sup>
- Bilberry<sup>8</sup>, raspberry<sup>9</sup>, blueberry<sup>10</sup> and pomegranate<sup>5</sup>, which also contains anthocyanins.
- Schizandra, which has adaptogenic effects<sup>11</sup> in addition to its antioxidant properties.
- Ginkgo biloba, which contains two types of antioxidants: flavonoids and terpenoids.

### Zamu Protect™

#31520 **\$19.99**

**Earn 80 VitaPoints!**

**Suggested use:** Adults and children over the age of 12, take 2 or more capsules with food every day.

### Zamu Protect

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Zamu Protect™ Proprietary Blend 505 mg: Green tea leaf extract (36% total polyphenols), (Camellia sinensis), Peruvian purple corn (Zea mays), Bilberry fruit extract 4:1 (from 2.4 mg of 100:1 extract), (Vaccinium uliginosum), Blueberry fruit extract 5:1 (from 30 mg of 10:1 extract), (Vaccinium corymbosum), Schizandra fruit (Schizandra chinensis), Red raspberry leaf (Rubus idaeus), Ginkgo Biloba leaf extract 4:1 (from 2.4 mg of 50:1 extract), Pomegranate fruit extract (20% ellagic acid), (Punica granatum), Camu Camu fruit extract (Myrciaria dubia), Maqui fruit (Aristotelia chilensis).

**Other ingredients:** Rice flour, gelatin, magnesium stearate and silica.

## CoEnzyme Q-10

# Premium potency for cardiovascular wellness and healthy heart support

CoEnzyme Q-10 (CoQ-10) is an important “bioenergetic antioxidant” that’s concentrated in the heart. The natural aging process may deplete CoQ-10, potentially leading to low CoQ-10 status. Statin drugs may also deplete CoQ-10. This “CoQ-10 drain” may affect your heart: Low CoQ-10 has been linked to diminished cardiac energy and cardiovascular health concerns.<sup>1-4</sup>

TriVita CoQ-10 may address these heart health concerns because it helps to replenish what statin drugs and aging may have taken away.<sup>5</sup> By correcting your CoQ-10 status, you may promote this unique nutrient’s diverse range of cardio-supportive biological activities:

- CoQ-10 is necessary in adequate amounts for heart energy metabolism<sup>6</sup>
- CoQ-10 is a cardiovascular antioxidant that helps protect the heart and blood vessels<sup>7</sup>
- CoQ-10 supports the function of the blood vessel linings, potentially helping with circulation<sup>8</sup>
- CoQ-10 may help maintain heartbeat stability and the heart’s blood-pumping efficiency<sup>9</sup>
- CoQ-10 may help to maintain blood pressure that’s already within normal range<sup>10</sup>

Supplying 50 mg of quality CoQ-10 in each easy-to-swallow soft gel, TriVita CoQ-10 is a convenient way to help contribute to the CoQ-10 status that’s associated with healthy cardiovascular function.

*“I just love TriVita’s CoEnzyme Q-10! I feel much better during the day. Thank you TriVita!”*

- Nancy S.,  
Member since 2003

**THIS PRODUCT IS ALSO GREAT FOR:**

 **ENERGY, STAMINA & PERFORMANCE SUPPORT**

## CoEnzyme Q-10

## Energy Now!

# Natural nutritional support for the jitter-free energy you need

Energy Now's unique blend of amino acids, polyphenols, botanicals and more combine to help spark clean, refreshing energy you can feel.

**Green tea extract:** Rich in catechin polyphenol antioxidants, green tea may stimulate energy metabolism and optimize energy utilization.<sup>1-3</sup>

**Cocoa bean extract (seed):** The fourth-richest dietary source of polyphenols known, cocoa also supplies active theobromine, which is tied to revitalizing effects.<sup>4</sup>

**L-Phenylalanine & L-Tyrosine:** Amino acids the body uses as "building blocks" to make brain chemicals associated with exercise and physical activity.<sup>5</sup>

**Dimethylglycine HCl (DMG):** Amino acid that may promote healthy oxygen utilization in tissues; popular for physical performance support.<sup>6</sup>

**Trimethylglycine HCl (Betaine):** Boosts blood DMG levels and helps balance stomach acids to promote efficient energy metabolism of macronutrients.<sup>7</sup>

**Taurine:** Amino acid found in the body's high-energy tissues, where it helps mitochondria to generate cellular power.<sup>8</sup>

**Coenzyme Q-10:** Necessary for mitochondria to convert macronutrients into sustained ATP energy. CoQ-10 declines with age and statin drug use.<sup>9</sup>

### PLUS:

B vitamins for foundational energy metabolism support and Vitamin C to help optimize blood antioxidant status.

THIS PRODUCT IS ALSO GREAT FOR:

 BRAIN & NERVE HEALTH SUPPORT

### Energy Now!®

#30420 **\$24.99**

**Earn 100 VitaPoints!**

**Suggested use:** Adults: Take 2 capsules in the morning and/or afternoon. For best results, take with a glass of juice or water on an empty stomach. This should be 30 minutes before or 2 hours after food. Taking the product with food will significantly diminish its effectiveness.

*"I take Energy Now about one hour prior to riding my bike every morning to support my energy level. It makes a big difference!"*

- Leneau N.,  
Member since 2001

### Energy Now!®

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Vitamin C (as ascorbic acid) 60 mg, Thiamin (as thiamin HCl) 1.5 mg, Riboflavin 1.7 mg, Niacin (as niacinamide) 20 mg, Vitamin B6 (as pyridoxine HCl) 10 mg, Pantothenic Acid (as d-calcium pantothenate) 10 mg, Proprietary blend 1164 mg: Green Tea Extract (36% polyphenols and catechins), Cocoa bean standardized extract (12% theobromine), L-Phenylalanine, L-Tyrosine, Trimethylglycine HCl, NN-dimethylglycine HCl, Taurine, Co-Enzyme Q10. Other ingredients: Gelatin, tricalcium phosphate, rice flour, magnesium stearate and silicon dioxide.

**Please note:** If you have PKU or are taking MAO inhibitors, do not use this product.

### WHAT IS HOUSE OF GIVING?

After seeing firsthand the tremendous amount of families in need around the world, Michael and Susan Ellison founded House of Giving, a non-profit organization working to fund wellness research, education and a variety of life-sustaining amenities.

For nearly two decades, House of Giving has provided clean water, basic nutrition and education to those less fortunate.

### OUR MISSION

The House of Giving helps children, families and communities reach their potential by providing resources that have immediate and lasting change in their lives.

### OUR VISION

Our goal is to transform lives by inspiring individuals and organizations to give to those less fortunate.

### OUR VALUES

We believe in the Law of Reciprocity and that by serving others we are equally blessed.

We believe that everyone should have the opportunity to experience physical, emotional and spiritual wellness.

We are grateful for our relationships with our donors and sponsors.

We are accountable and transparent with the resources and donations we receive.

TO FIND OUT HOW YOU CAN JOIN HOUSE OF GIVING TO HELP CHILDREN, FAMILIES AND COMMUNITIES REACH THEIR POTENTIAL, VISIT OUR WEBSITE AT

[HouseOfGiving.org](http://HouseOfGiving.org)

## Aqua Algae

# An extraordinary blend of algae full of phytonutrients, vitamins, minerals and amino acids

Amazon Herb Aqua Algae features a proprietary blend of fresh water and marine algae. Believed to be one of nature's best superfoods, these extraordinary algae contain many beneficial phytonutrients, including the pigments phycocyanin (blue) and chlorophyll (green). A rich whole-food source, algae is also packed with nutrients such as chlorophyll, vitamins, minerals and amino acids.<sup>1-7</sup>

### Amazon Herb Algae includes the following four ingredients:

- **Spirulina:** An algae that contains high levels of various B vitamins, beta-carotene, carotenoids and minerals, including calcium, iron, magnesium, manganese, potassium and zinc. Spirulina is also a good source of gamma-linolenic acid (GLA),<sup>1</sup> and along with other related products may help support the immune system.<sup>2</sup>
- **Blue Green Algae:** Blue Green Algae is high in protein, iron and other minerals. Blue Green Algae is also being researched for its potential effects on the immune system.<sup>3</sup>
- **Bladderwrack (Fucus):** A brown seaweed of the Fucaceae family that grows on the coast of the Atlantic and Pacific Oceans of South America,<sup>4</sup> Bladderwrack contains high concentrations of iodine. As a result, it's been used traditionally to support thyroid health.<sup>4,5</sup>
- **Chlorella:** A single-cell green algae that grows in fresh water, Chlorella contains amino acids, peptides, protein, chlorophyll, vitamins and minerals.<sup>6</sup> Interest has grown in Chlorella, specifically in using it to support the immune system and detoxification.<sup>7</sup>

## Aqua Algae

#ADS1272 **\$24.99**

**Earn 100 VitaPoints!**

**Suggested use:** Adults and children over the age of 12, take 2 capsules daily.

### Aqua Algae

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Proprietary blend 760 mg: Spirulina (Arthrospira Platensis), Blue Green Algae (Aphanizomenon Flos-Aquae) (AFA), Bladderwrack (Leaf) (Fucus Vesiculosus), Chlorella (Chlorella pyrenoidosa).

**Other ingredients:** Vegetable capsule (vegetable cellulose), rice husk concentrate.

## Camu Gold

# The Amazon's nutrient-rich "feel good" fruit for enhanced energy and focus

Free radicals can cause "oxidative stress," a process prevalent in today's fast-paced society that is thought to trigger cell damage and contribute to the development of poor health. Camu camu, a low-growing shrub found throughout flooded areas of the Amazon rainforest in Peru, Brazil, Colombia and Venezuela (where its fruits and leaves are used for medicinal purposes),<sup>1</sup> contains antioxidants that may help protect our cells against the negative effects of these free radicals and promote overall wellness.

Many people are just now discovering the amazing benefits of the Camu Camu berry, referred to in the Amazon as a nutrient-rich "feel good" fruit. TriVita Amazon Herb™ Camu Gold offers a concentrated botanical blend of pure, organic Camu Camu, the source of a wide variety of micronutrients essential for an energetic body and sharp mind.

### The ingredients in Camu Gold include:

- Antioxidants, which are known for their free radical scavenging ability<sup>2</sup>
- A high concentration of Vitamin C<sup>3</sup> along with a variety of minerals, amino acids and phytochemicals<sup>4,5</sup>
- Beta-carotene, fatty acids, protein and flavonoids<sup>2</sup>
- No preservatives or artificial ingredients, flavors or coloring

### DID YOU KNOW?

Camu Camu grows in the swamps of the Amazon rainforest and produces berries that look like large cherries. One of nature's "super foods," Camu Camu is often used to stimulate the immune system and increase energy, as well as maintain healthy skin, eyes and gums.<sup>6</sup>

### Camu Gold

## HCY Guard

# Nutritional support to help lower and maintain healthy homocysteine levels

When homocysteine (HCY) levels go out-of-range, blood vessel and circulatory concerns seem to follow<sup>1</sup>—suggesting the importance of balanced HCY for heart health.

### Why does HCY go out-of-range?

Among other reasons, low levels of Vitamin B-6, B-12 and folate are associated with unbalanced HCY.<sup>2,3</sup> This may be because these three B vitamins are cofactors in HCY metabolism: They help the body to use and eliminate HCY properly.<sup>4</sup> Unfortunately, some older adults have a harder time absorbing B vitamin nutrition, and may fall short on the recommended intake for HCY support.<sup>5</sup>

HCY Guard is formulated with Vitamin B-6, B-12 (as methylcobalamin) and folate in precise ratios—supplying the right B vitamin nutrition to help support your HCY levels already within normal range.

### The HCY Guard proprietary blend adds complementary nutrients for even more support, including:

**Choline:** An important cofactor in homocysteine metabolism<sup>6</sup>

**L-Cysteine:** Helps convert HCY into methionine, a beneficial amino acid<sup>7</sup>

**CoEnzyme Q-10:** Extra support for healthy blood vessels and circulation<sup>8</sup>

HCY Guard is presented in pleasant-tasting soft tablets that dissolve in the mouth. This step encourages absorption to help optimize HCY Guard's nutritional support for your cardiovascular health.

## HCY Guard®

#30460 **\$23.99**

**Earn 96 VitaPoints!**

**Suggested use:** Adults and children over 10, take 1 slow dissolve tablet daily or as needed throughout the day. For best absorption do not chew or swallow whole: let dissolve in mouth or under tongue.

HCY Guard®

**Quantity:** 30 tablets **Serving size:** 1 tablet

**Amount per serving:** Vitamin B6 (as pyridoxine HCl) 10 mg, Folate (as folic acid) 400 mcg, Vitamin B12 (as methylcobalamin) 1000 mcg, Biotin 25 mcg. HCY Guard® Proprietary blend Total 103 mg: Inositol, Taurine, Choline bitartrate, N, N-Dimethyl Glycine, L-Lysine, CoEnzyme Q-10, L-Cysteine, DL-Methionine.

**Other Ingredients:** Sorbitol, xylitol, stearic acid, mannitol, citric acid, natural flavors, magnesium stearate, soy lecithin, silica and sucralose.

## Prostate

# Advanced formula for urinary comfort and prostate protection

Prostate Health Formula is formulated to combine the beneficial activities of top prostate support nutrients—bringing you reliable, broad-spectrum support for urinary comfort and prostate function.

**Saw Palmetto** may influence the enzymes that regulate prostate changes.<sup>1,2</sup>

**Lycopene** is a red plant pigment with antioxidant activity that may protect and maintain the prostate.<sup>3,4</sup>

**Beta sitosterol** supplies a mixture of plant sterols shown to help promote urinary comfort.<sup>5</sup>

**Stinging nettle** helps to soothe the prostate and supports comfortable urinary flow.

### The following adult screening tests and frequency for men are recommended by the U.S. Preventive Services Task Force (USPSTF) based on solid scientific evidence.<sup>6</sup>

*The USPSTF has recommended against Prostate Specific Antigen (PSA) blood test screen.*

*There is insufficient evidence to recommend for or against Osteoporosis screening in males.*

*Talk with your healthcare professional about any personal concerns you may have.*

SCREENING	FREQUENCY
AAA (abdominal aortic aneurysm)	Once after age 65
Blood pressure	Every doctor visit
Colorectal cancer	After age 45 if blood pressure is >135/80
Lipid (blood fats: "good" and "bad" cholesterol, triglycerides)	After age 35

### Prostate Health Formula™

#30400 **\$19.99**

**Earn 80 VitaPoints!**

**Suggested use:** Adult men, take 2 capsules once or twice daily with food.

#### Prostate Health Formula™

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Magnesium (from Magnesium Amino Acid Chelate) 50 mg, Zinc (from Zinc Gluconate) 15 mg, Selenium (from L-Selenomethionine) 50 mcg. Proprietary blend 646 mg: L-Glutamic Acid, Glycine, Saw Palmetto Berry Extract (25% Fatty Acid), Phytosterols, L-Alanine, Lycopene, Flower Pollen Extract 20:1, Nettle Root Extract 4:1, Pumpkin Seed Extract 4:1.

**Other ingredients:** Vegetable capsule (hypromellose), microcrystalline cellulose, maltodextrin, and magnesium stearate. **Contains:** soy.

## Balanced Woman

# The gentle support and comfort women need during hormonal change

Balanced Woman was developed to help gently bring a woman's hormones into balance using some of today's most popular botanicals.

**Black Cohosh** helps supports menopausal comfort.<sup>1</sup>

**Dong quai**, an ancient Chinese folk herb, may have mild estrogen-like activity.<sup>2</sup>

**Chasteberry** is traditionally used for PMS, menstrual and menopausal concerns.<sup>3,4</sup>

**Wild yam** supplies active diosgenin that may modulate estrogen and other female hormones.<sup>5</sup>

**Ginseng's** mood and sleep-supportive activities may help quality of life in menopausal women.<sup>6,7</sup>

### The following adult screening tests and frequency are recommended for women.<sup>8,9</sup>

SCREENING	FREQUENCY
Mammogram	Yearly beginning at age 40
Bone scan (DEXA)	Rarely more than every 2 years beginning at age 50 (Discuss with your healthcare provider if there's a family history)
Blood tests for diabetes, thyroid disorders and cholesterol	Every three years beginning at age 35
Lipid (blood fats: "good" and "bad" Cholesterol, triglycerides)	After age 35

### Balanced Woman®

#30240 **\$24.99**

**Earn 100 VitaPoints!**

**Suggested use:** Adult women, take 2 capsules daily. For best results, take with juice one hour before or after food.

#### Balanced Woman®

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Vitamin B6 (as pyridoxine HCl) 3 mg, Pantothenic Acid (as d-calcium pantothenate) 30 mg, Calcium (as calcium citrate) 50 mg, Proprietary blend 1558 mg: Wild Yam Extract 4:1 (root), Dong Quai Extract 5:1 (root), L-Leucine, L-Valine, Fennel Seed Powder, L-Isoleucine, Black Cohosh Extract 4:1 (root), Chaste Berry Extract 10:1 (fruit), Damiana Powder (leaf), Red Grape Skin Extract (fruit), Vegetable Enzyme Blend (protease, acid-stable protease, amylase, lipase, cellulase, and glucoamylase), Licorice Extract 5:1 (root), Eleutherococcus senticosus (root), Panax ginseng (root), Motherwort (aerial parts), Cramp bark, Parsley (leaf).

**Other ingredients:** Gelatin, magnesium stearate and silica. **May contain wheat and soy.**

## Essential Oils

# Surround your senses with serenity and well-being

Our fast-paced lives leave little time for the serenity and relaxation we need. Soothe your senses and create a serene environment with pure essential oils—now available from TriVita. Derived from plants, these essential oils have been used for thousands of years by people around the world. Experience TriVita's pure essential oils today.

### Pure essential oils

Essential oils are natural compounds found in seeds, roots, bark, flowers, stems, other parts of plants, and spices. For millennia, they have been used to refresh the senses, rejuvenate the mind and body, and much more.

The distillation process for these essence plants has been used since the 16th century and is still the preferred method of extraction. With the exception of citrus, each oil is processed primarily by steam-pressed distillation. No solvents are used in any process.

For more information on TriVita Essential Oils and a list of suggested uses, call 1-800-991-7116 or visit [TriVita.com](http://TriVita.com).

### FRANKINCENSE

*Considered one of the most precious of the ancient oils. Historically, it has been known to offer a variety of benefits, including: spiritual calming; slowing the signs of aging when mixed with an unscented oil or lotion; and helping to keep the immune system balanced.*

10 ML #31540 \$28.99

**Earn 116 VitaPoints**

### LAVENDER

*The most popular essential oil in the world. Aromatherapists use lavender to help diminish symptoms of many imbalances including nervousness and fear, and for lifting and balancing moods.*

10 ML #31542 \$25.99

**Earn 104 VitaPoints**

### TUARM

*A mixture of Cinnamon leaf, Clove leaf, Eucalyptus, Lemon and Rosemary oils. Historically, this blend was used to protect the wellness of individuals during the Middle Ages. It's most popular for supporting wellness and protecting against environmental threats.*

10 ML #31543 \$28.99

**Earn 116 VitaPoints**

### EUCALYPTUS (GLOBULUS)

*Used throughout the world for a range of health benefits. Studies have shown that eucalyptus leaves contain flavonoids, plant components that have antioxidant properties.*

10 ML #31541 \$19.99

**Earn 80 VitaPoints**

### AIRIVITA

*An invigorating blend of Eucalyptus, Lemon, Peppermint and Rosemary oils. With a soothing and comforting fragrance, this blend can minimize the effects of seasonal threats to maintain the feeling of easy breathing.*

10 ML #31548 \$28.99

**Earn 116 VitaPoints**

### TEA TREE

*Used in household cleaning, cosmetic products and as a mold repellent. Found mainly in Australia and New Zealand, records show the indigenous people were very familiar with tea tree's benefits. It's also been used in face washes, shampoos and massage oils.*

10 ML #31544 \$22.99

**Earn 92 VitaPoints**

### LEMON

*Used as a potent cleanser and air freshener. Originating in Asia, lemon has been used for centuries by cultures around the world and has historically been associated with many wellness benefits.*

10 ML #31546 \$22.99

**Earn 92 VitaPoints**

### PEPPERMINT

*Gives a cooling sensation which has been known to have a soothing effect on the body. Peppermint is one of the oldest European herbs used for health benefits.*

10 ML #31547 \$23.99

**Earn 96 VitaPoints**

**Essential Oil: Quantity:** 0.33fl oz/10 ml **Serving size:** 3-5 drops

**TuArm Ingredients:** lemon, rosemary, cloves, cinnamon, eucalyptus; **Eucalyptus Ingredient:** Eucalyptus; **Frankincense Ingredient:** Frankincense; **Lavender Ingredient:** French Lavender; **Lemon Ingredient:** Lemon; **Peppermint Ingredient:** Peppermint; **TeaTree Ingredient:** Tea tree; **Airivita Ingredients:** Eucalyptus, lemon, peppermint, rosemary.

## TriVita Essential Oils Diffuser

#31545 **\$49.99**

**Earn 200 VitaPoints!**

**Suggested Diffuser use:** Twist cover clockwise to remove tank cap. Fill tank with distilled or filtered water to top fill line (280 mL). Add 3-5 drops of essential oil, or more if desired, into water. (Be sure to clean diffuser thoroughly by hand after each use when using more oil.) Close tank cap and cover. Connect to the power outlet, press "mist" and enjoy!

## Rainforest Treasure Tea

# Tasty herbal support for mental clarity, physical immunity and vitality

You don't have to travel the Amazon to experience tribal vitality! Rainforest Treasure Tea brings you legendary South American herbs prized by ancient healers for their vitality and immune-supportive effects. You'll enjoy natural energy with no caffeine. Rainforest Treasure Tea features:

**Jatoba:** Canopy tree yields a bracing bark-tea popularly used by Brazilian lumberjacks to sustain vitality during long workdays.<sup>1</sup> High in antioxidants for immune support.<sup>2</sup>

**Una de Gato:** Woody mountain vine traditionally used by Peruvian Asháninka priests to "regulate" mind-body harmony.<sup>3</sup> May modulate immune signals.<sup>4</sup>

**Pau d'Arco:** A flowering rainforest tree called tajy, which roughly translates to "with vitality."<sup>5</sup> Inner bark supplies lapachol that helps immune and microbial balance.<sup>6</sup>

**Quebra Pedra:** This small rainforest herb is taken in tribal traditions to support kidney and urinary health,<sup>7</sup> uses that may be backed by modern research.<sup>8</sup>

**Chuchuhuasi:** Amazonian basin tree used in rituals as a "tonic" bark-tea for balance and comfort.<sup>9</sup> Its antioxidants may offer diverse immune support.<sup>10,11</sup>

### PLUS:

A touch of zero-calorie stevia for natural sweetness and smooth flavor balance.

**THIS PRODUCT IS ALSO GREAT FOR:**

**DIGESTIVE/IMMUNE SYSTEM SUPPORT**

## Rainforest Treasure Tea

#ADS3884 **\$19.99**

**Earn 80 VitaPoints!**

**Suggested use:** As a dietary supplement, use 1 tea bag per cup of boiling water, daily. Let steep for 5 minutes or to taste. Enjoy hot or as a refreshing iced beverage.

**Rainforest Treasure Tea**

**Quantity:** 30 tea bags **Serving size:** 1 tea bag

**Ingredients:** Proprietary Blend 1.7g: Jatoba (Hymenaea courbaril L. bark), Una de Gato (Uncaria tomentosa L. bark), Pau d'Arco (Tabebuia heptaphylla, Tabebuia avellanedae inner bark), Quebra Pedra (Phyllanthus niruri whole herb), Stevia (Stevia rebaudiana L. leaf), Chuchuhuasi (Maytenus spp. bark).

## Leanology Herbal Cleansing Tea

# The perfect diet supplement for digestion, cleansing and weight management support

Did you know that weight challenges have been linked to toxins we are exposed to every day?<sup>1</sup> Poor digestion may also contribute to weight concerns.<sup>2</sup> Leanology Herbal Cleansing Tea may help by supplementing your diet with botanical nutrition for both cleansing and digestion—adding new layers of support to your healthy diet and exercise program.

Leanology Herbal Cleansing Tea features a unique blend of herbs traditionally used to help:

**Cleanse the bowels:** Senna herb encourages movement, working gently overnight.<sup>3</sup>

**Flush the urinary tract:** Mild, time-tested diuretic herbs dandelion and astragalus.<sup>4,5</sup>

**Nourish the liver:** The liver filters toxins; milk thistle is a popular liver support herb.<sup>6</sup>

**Soothe the stomach:** Spearmint and peppermint are traditional digestive tonics.<sup>7</sup>

### PLUS:

A touch of zero-calorie stevia leaf adds natural sweetness to the whole blend, so it brews up into a great-tasting tea you can enjoy.

With cleansing and digestive support in one delicious hot beverage, Leanology Herbal Cleansing Tea is made to promote a “clean inner slate.” It could be just the thing for your healthy weight.

## Leanology® Herbal Cleansing Tea

#30810 **\$14.99**

**Earn 60 VitaPoints!**

**Suggested use:** Steep one tea bag per cup for 5-7 minutes once a day, preferably in the evening. Should not be used for more than 7 consecutive days unless directed by a doctor.

### HOW MIGHT TOXINS AFFECT WEIGHT?

Two of the more widely used chemical classes suggested by researchers to play a role in weight management include:

- Phthalates, found in plastics, have been suggested to reduce androgen levels. Low androgen contributes to weight concerns in men.<sup>8</sup>
- POPs (Persistent Organic Pollutants), found in food products, seem to disrupt the endocrine system, which plays a key role in regulating weight.<sup>9</sup>

### Leanology® Herbal Cleansing Tea

**Quantity:** 15 tea bags **Serving size:** 1 tea bag (1.2 g)

**Amount per serving:** Proprietary Blend: 1.2 g: Senna (*Cassia angustifolia* Vahl, leaf), Peppermint (*Mentha piperita* L., leaf), Roasted Dandelion (*Taraxacum officinale*, root), Spearmint (*Mentha spicata* L., leaf), Stevia (*Stevia rebaudiana* L., leaf), Astragalus (*Astragalus membranaceus* L., root), Milk Thistle (*Silybum marianum* L., seed).

**Caffeine free.** This product contains senna. Do not use if you have or develop diarrhea, loose stools, or abdominal pain.

## Recovery

# Excellent after exercise or physical exertion

Recovery is formulated with a specially selected assortment of plants with antioxidant, flavonoid and linolenic acid content, designed to help support your body's recovery.

### Excellent after exercise or physical exertion, Recovery features a unique botanical blend from the Rainforest:

**Dong Quai:** Helps stimulate blood flow and lymphatic circulation.<sup>1</sup>

**Una de Gato:** A rich source of alkaloids.<sup>2</sup>

**Sarsaparilla:** Used as a tonic for overall health and well-being.<sup>3</sup>

**Pomelo:** Known for its antioxidant and lipid reduction properties.<sup>4</sup>

**Safflower:** Offers high linolenic and linoleic acids content.<sup>5</sup>

#### THE ORIGIN OF RECOVERY

Recovery combines a series of Amazon Rainforest botanicals with an ancient herbal formula developed by the monks at Shaolin Monastery in China, which is the birthplace of the Kung Fu style of martial arts.

Whether you're a professional athlete or a weekend warrior getting in an aerobic workout, turn to Recovery—and help invigorate your body for the next round.

### Recovery

#ADS2571 **\$29.99**

**Earn 120 VitaPoints!**

**Suggested use:** As a dietary supplement, adults take 2 capsules daily.

#### Recovery

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Proprietary Blend 760 mg: Dong Quai (root), Pomelo Peel (Citrus Grandis) Ju Hong, Safflower (Hong Hua) Flower, Sarsaparilla (Smilax Officinalis root), Samambaia (Polypodium Lepidopteria), Dalbergia Wood (Jiang Xiang) (Fragrant Rosewood), Orange Peel (Citrus Aurantium) ZHI KE, Peach Kernel (Tro Ren seed), Camu Camu (Myrciaria Dubia whole fruit), Cat's Claw (Uncaria Tomentosa bark).

**Other ingredients:** Vegetable capsule, rice husk concentrate.

## Bone Growth Factor

# Enhanced formula to support strong bones and help prevent bone loss

Throughout our lives, bone is broken down (resorption) and rebuilt (formation). In younger years, this bone remodeling process is balanced. But as the body ages, bone tends to break down faster than it is formed—particularly for women—leading to bone loss.<sup>1</sup>

Bone Growth Factor features MCHC (microcrystalline hydroxyapatite), an advanced calcium that mirrors what’s found in our bones and has been suggested to help with bone remodeling.<sup>2-4</sup> Bone Growth Factor reinforces this broad-spectrum calcium nutrition with:

**1000 IU of Vitamin D3:** Helps support MCHC and calcium absorption.

**Extra bone minerals:** Phosphorus, magnesium, zinc, copper and manganese.

**Vitamin K:** Low K intake has been linked with bone breakdown (resorption).<sup>5</sup>

### PLUS:

#### Bone Growth Factor’s proprietary blend supplies:

**Ipriflavone:** Phytoestrogen suggested to help maintain bone mass in women.<sup>6</sup>

**Boron:** Required for bone metabolism and may enhance bone mineralization.<sup>7,8</sup>

**Silica:** A mineral that may help form and mineralize organic bone matrix.<sup>9</sup>

Bone Growth Factor’s calcium complex features microcrystalline hydroxyapatite calcium (MCHC) because it closely resembles the nutritional composition of human bone and comprises up to 70% of the calcium that is found in our bones.<sup>10</sup>

*“Bone Growth Factor has helped me take control of my health.”*  
- Gwen G.,  
Member since 2004

**THIS PRODUCT IS ALSO GREAT FOR:**  
**MEN’S & WOMEN’S HEALTH SUPPORT**

### Bone Growth Factor™

#30600 **\$34.99**

**Earn 140 VitaPoints!**

**Suggested use:** Take 2 capsules three times daily (6 capsules total) with meals or as recommended by your healthcare provider.

#### Bone Growth Factor™

**Quantity:** 180 capsules **Serving size:** 2 capsules

**Amount per serving:** Vitamin C (as calcium ascorbate) 20 mg, Vitamin D (as cholecalciferol) 333.34 IU, Vitamin K (as phytonadione) 200 mcg, Vitamin B6 (as pyridoxine HCl) 0.5 mg, Folate (as folic acid) 33.34 mcg, Calcium (as calcium carbonate, microcrystalline hydroxyapatite, dicalcium phosphate, calcium citrate, calcium lactate, calcium orotate and calcium D-glucarate) 333.34 mg, Phosphorus (as microcrystalline hydroxyapatite and dicalcium phosphate) 90 mg, Magnesium (as magnesium oxide and magnesium aspartate) 133.34 mg, Zinc (as zinc aspartate) 5 mg, Copper (as copper glycinate chelate) 0.167 mg, Manganese (as manganese gluconate) 0.67 mg, Potassium (as potassium chloride and potassium amino acid complex) 33.34 mg. Proprietary blend 104.9 mg: Evening Primrose, Ipriflavone, GABA (gamma-aminobutyric acid), Inositol, Silicon (as silicon dioxide), Boron (as amino acid complex), Choline (as choline bitartrate), 5-methoxy-N-acetyltryptamine (melatonin).

**Other ingredients:** Vegetable capsule (hypromellose), microcrystalline cellulose and magnesium stearate.

## MyFloraDaily Prebiotic

# Prebiotics feed the good bacteria in the gut

Perhaps no other body function is taken more for granted than the gastrointestinal (GI) tract. Yet if your digestive system is unable to properly break down food into nutrients, the rest of the body starts to go downhill in rapid succession.

While taking MyFloraDaily Probiotic helps keep your gut in good working order, you should also be supplementing your diet with high quality MyFloraDaily Prebiotic to give your gut the food it needs to feed the good bacteria that live in your stomach.

Organic, non-GMO MyFloraDaily Prebiotic consists of a combination of natural non-digestible fibers that are specifically utilized by healthy intestinal bacteria. This mixture makes MyFloraDaily Prebiotic vitally important for maintaining lower GI tract balance, good bacteria levels, a strong immune system and overall balanced digestive health. And all it takes is 2 (two) 1,250 mg. capsules a day.

- MyFloraDaily Prebiotic is a gentle fiber and easily tolerated compared with other fibers. The body itself does not digest these plant fibers. Instead, it uses them to promote the growth of good bacteria in the gut. The health benefits of dietary fiber have long been appreciated, and higher intakes have been linked to less cardiovascular disease.
- Other prebiotic fibers require much larger doses to show the same benefits as MyFloraDaily Prebiotic.

### Why do I need a prebiotic if I'm already taking a probiotic?

It's easy to get prebiotics and probiotics confused, but each play a different and equally important role in promoting digestive health. The most important thing to remember is that probiotics contain live bugs (bacteria), while prebiotics contain no bugs; they simply create the ideal conditions for the gut bugs that already exist to grow and multiply. And more healthy bacteria means you digest food more efficiently.<sup>1</sup>

### MyFloraDaily Prebiotic

#30880 **\$19.99**

**Earn 80 VitaPoints!**

**Suggested use:** Adults, take one capsule, once or twice daily, or as directed by your healthcare professional.

### PREBIOTICS

- Are a special form of dietary fiber that acts as a fertilizer for the good bacteria everyone already has in their gut
- Improve the good-to-bad bacteria ratio, which has a direct correlation to your mental health and overall well-being<sup>2</sup>
- Prebiotic powders are not affected by heat, cold, acid or time

#### MyFloraDaily Prebiotic

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Prebiotic Complex, 1,250 mg: Fructo-oligosaccharides chicory with organic blue agave inulin.

**Other ingredients:** Vegetable cellulose, vegetable stearic acid, silica and microcrystalline cellulose.

#### References:

1 <https://www.niddk.nih.gov/health-information/digestive-diseases/digestive-system-how-it-works>

## MyFloraDaily Probiotic

# Probiotics are tiny health-promoting organisms in the gut

The gastrointestinal tract is the most exposed human habitat to the external environment. Every day, thousands of microorganisms and compounds derived from the digestive process come in contact with it, making the role of the gut as a protective barrier to pathogens essential.<sup>1</sup>

In order to maintain healthy digestion, you need to supplement your diet with a probiotic. MyFloraDaily helps support intestinal/gastrointestinal health, promotes a diverse and balanced gut microflora, may help with occasional diarrhea and supports overall immune health.<sup>2-7</sup>

### Make MyFloraDaily your probiotic

- MyFloraDaily contains one of the most clinically studied probiotic strains, Lactobacillus GG, a highly resilient strain that is able to survive through the GI tract and adhere to the intestinal mucus and epithelial walls. This allows for an extended, controlled release of probiotic strains in the small and large intestine.
- MyFloraDaily is formulated with patented bio-tract technology *for maximum absorption.*
- TriVita guarantees **10 billion Colony Forming Units** (CFU - how many good bacteria are in each capsule) in every dose at the time of manufacture and 5 billion at the one year expiration date.
- While many competitive probiotic brands need to be refrigerated to maintain the number of probiotic strains, **MyFloraDaily is shelf stable.**
- MyFloraDaily is allergen-free (no milk, eggs, fish, shellfish, nuts, wheat or soy).

### MyFloraDaily Probiotic

#30830 **\$39.99**

**Earn 160 VitaPoints!**

**Suggested use:** Adults, take one caplet, once or twice daily, or as directed by your healthcare professional.

#### MyFloraDaily Probiotic

**Quantity:** 30 caplets **Serving size:** 1 caplet

**Amount per serving:** Probiotic Blend (10 Billion CFUs at time of manufacture, 5 Billion CFUs at 12 months expiry): Lactobacillus rhamnosus GG, Bifidobacterium breve Bb-03, Bifidobacterium lactis BI-04, Lactobacillus casei subsp. casei Lc-11

**Other ingredients:** Microcrystalline cellulose, hydroxypropyl methylcellulose, pectin, sodium carbonate (anhydrous), stearic acid, guar gum, turmeric (color).

## VitaCal-MagD™ K2

# Calcium complex and Vitamin K2 for musculoskeletal support

Calcium plays a crucial role in maintaining strong bones, supporting their structure and function.<sup>1</sup> Calcium intake, when combined with sufficient Vitamin D, a healthy diet and regular exercise, may reduce the risk of developing osteoporosis.

But getting enough calcium can be a challenge, with many people failing to get the calcium they need from food alone.<sup>2</sup> On top of that, calcium absorption may drop by up to 20% in adulthood—and decline even further as we grow older, just when we start needing more.<sup>1,3</sup>

### Calcium complex for musculoskeletal health

Featuring a premium calcium blend combined with magnesium, Vitamin D3 and Vitamin K2, VitaCal-MagD K2:

- Helps in the development and maintenance of bones and teeth
- Helps to maintain proper muscle function, including the heart muscle
- Helps in energy metabolism, tissue formation
- Helps in the absorption and use of calcium and phosphorus

### Each serving provides:

**Calcium (500 mg):** VitaCal-MagD K2 features two types of calcium: calcium citrate and calcium carbonate.

**Magnesium (250 mg):** Magnesium plays a role in bone formation, bone mineralization and calcium transport, and regulates muscle function.<sup>4,5</sup> It also helps convert Vitamin D to the active form in the body.

**Vitamin D3 (500 IU):** The body requires Vitamin D to absorb calcium properly. Too little Vitamin D may result in soft, thin and brittle bones.<sup>6,7</sup>

**Vitamin K2 (40 mcg):** K2 may support bone mineralization and in one 3-year study, it was associated with stronger bones and improved markers of bone health when taken at higher daily doses.<sup>8</sup>

#### THIS PRODUCT IS ALSO GREAT FOR:

-  **CARDIOVASCULAR SYSTEM SUPPORT**
-  **MEN'S & WOMEN'S HEALTH SUPPORT**

### VitaCal-MagD™ K2

#30182 **\$24.99**

**Earn 100 VitaPoints!**

**Suggested use:** Adults, take 3 tablets once or twice daily with meals or as directed by your healthcare professional.

#### VitaCal-MagD™ K2

**Quantity:** 90 tablets **Serving size:** 3 tablets

**Amount per serving:** Vitamin D3 (as cholecalciferol) 500IU, Vitamin K2 (as menaquinone-7) 40 mcg, Calcium (as calcium citrate, calcium carbonate, microcrystalline hydroxyapatite, calcium bisglycinate chelate buffered) 500 mg, Phosphorus (as microcrystalline hydroxyapatite) 23.5 mg, Magnesium (as magnesium bisglycinate chelate buffered, magnesium aspartate and magnesium oxide) 250 mg, Boron (as boron citrate) 1.5 mg.

**Other ingredients:** Microcrystalline cellulose, coating (hypromellose, polyethylene glycol, sodium copper chlorophyllin, hydroxypropyl cellulose), stearic acid, croscarmellose sodium, magnesium stearate and silica.

## GlucoManage Formula

# Blood sugar balance to help restore healthy glucose levels

Blood sugar balance influences how you feel every single day, affecting your vitality, mood, appetite, mental clarity and more. But many factors can knock blood sugar off-balance, including bad diet, excess weight, sedentary living and poor sleep.<sup>1</sup>

Blood sugar levels measure circulating glucose, and insulin distributes this glucose, helping maintain the ideal balance. GlucoManage is formulated to help maintain healthy glucose levels. It's built on a solid vitamin and mineral foundation and enhanced with the SugarSolver™ botanical blend, which includes:

**Gymnema sylvestre:** Ayurvedic herb that may enhance insulin's performance.<sup>2</sup>

**Bitter melon:** May mimic insulin effects while helping to maintain normal insulin release.<sup>3,4</sup>

**American Ginseng:** May help blood sugar balance by supporting efficient carb metabolism.<sup>5</sup>

**Cinnamon:** May help blood sugar by enhancing insulin performance and slowing gastric emptying.<sup>6</sup>

**Banaba leaf:** Folk herb traditionally used for blood sugar support.<sup>7</sup>

**Vanadyl sulfate:** A trace mineral with insulin-like effects that may play a role in glucose metabolism.<sup>8,9</sup>

### DID YOU KNOW?

People with blood sugar concerns may have occasional appetite control challenges. GlucoManage® is formulated with 5-HTP (5-Hydroxytryptophan) because it supports the brain chemistry of satisfaction-helping to maintain both a normal appetite and healthy weight management.<sup>10</sup>

## GlucoManage® Formula

#30340 **\$29.99**

**Earn 120 VitaPoints!**

**Suggested use:** For optimal results, adults take 2 capsules twice daily for the first 30 days, then 1 capsule twice daily.

### GlucoManage® Formula

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Vitamin B1 (from Thiamine HCl) 17 mg, Niacin (as Niacinamide) 30 mg, Vitamin B12 (as Cyanocobalamin) 1000 mcg, Biotin 2000 mcg, Magnesium (from Magnesium Oxide, Magnesium Glycinate) 100 mg, Zinc (from Zinc Oxide) 12.5 mg, Copper (from Copper Amino Acid Chelate) 0.5 mg, Manganese (from Manganese Citrate) 2.5 mg, Chromium (from Chromium Polynicotinate) (ChromeMate®) 200 mcg, Potassium (from Potassium Citrate) 99 mg, Deodorized Garlic Powder 25 mg, SugarSolver™ Proprietary blend 574 mg: Gymnema Sylvestre Leaf, Banaba Leaf Extract (1% Corosolic Acid), Bitter Melon Fruit Extract 4:1, American Ginseng Root, Cinnamon Bark, Alpha Lipoic Acid (ALA), 5-Hydroxytryptophan (5-HTP), Vanadyl Sulfate.

**Other ingredients:** Gelatin capsule (Gelatin and water), Rice flour, Magnesium stearate. **Contains soy. Manufactured in a facility that contains tree nuts.**

## Fiberzon Capsules

# Supplemental fiber to support gentle, healthy regularity

Constipation is one of the most common gastrointestinal problems in the United States, affecting an estimated 42 million people. Constipation is a condition in which you have fewer than three bowel movements per week. Long term, constipation can lead to health problems such as hemorrhoids, anal fissures, rectal prolapse or fecal impaction.<sup>1</sup>

Regular bowel movements are an important part of digestion, eliminating waste from the body, which allows food that enters the body to move through the digestive tract and supply the body with nutrients.<sup>2</sup>

Amazon Herb Fiberzon Capsules contain a proprietary blend of 16 botanicals designed to support healthy regularity, including:

**Psyllium husk:** A soluble fiber used primarily as a gentle, bulk-forming laxative.<sup>3</sup>

**Turkish rhubarb:** Chinese herbalists have relied on rhubarb rhizomes and roots for thousands of years. They contain powerful compounds that act as stimulant laxatives.<sup>4</sup>

**Boldo:** A perennial tree originating from the central regions of Chile, boldo leaves are widely used for supporting digestive health.<sup>5</sup>

**Hibiscus flower:** Polyphenols contained in plant foods are frequently associated with dietary fiber.<sup>6</sup>

**Slippery elm bark:** Contains mucilage, a substance that becomes a slick gel when mixed with water.<sup>7</sup>

Although constipation is common among all ages and populations in the U.S., some people are more likely to become constipated, including women, older adults, non-Caucasians, people with lower incomes, those who just had surgery, and people taking medications to treat depression or to relieve pain.<sup>1</sup>

### DID YOU KNOW?

You can help prevent constipation by eating more high-fiber foods, drinking more water, getting more exercise and asking your healthcare provider if any of your medications may be causing constipation.<sup>8</sup>

## Fiberzon Capsules

#ADS1972 **\$29.99**

**Earn 120 VitaPoints!**

**Suggested use:** As a dietary supplement, adults take two (2) capsules daily, or as directed by a healthcare provider.

### Fiberzon Capsules

**Quantity:** 90 capsules **Serving size:** 2 capsules

**Amount per serving:** Proprietary Blend 1350 mg: Turkish Rhubarb (*Rheum palmatum* root), Psyllium Husk (*Plantago ovata*), Sangre de Drago (*Croton lechleri* bark resin), Boldo Leaf (*Peumus boldus*), Cat's Claw (*Uncaria tomentosa* bark), Camu Camu (*Myrciaria dubia*), Fenugreek Seed (*Trigonella foenum-graecum*) Extract 4:1, Hibiscus Flower (*Hibiscus sabdariffa*), Licorice Root (*Glycyrrhiza glabra*), Flax Seed (*Linum usitatissimum*), Oat Bran (*Avena*), Slippery Elm Bark (*Ulmus fulva*), Artichoke (*Cynara scolymus* leaf), Quebra Pedra (*Phyllanthus niruri* whole plant), Jatoba (*Hymenaea courbaril* bark), Papaya (*Carica papaya* fruit).

**Other ingredients:** Vegetable capsule (vegetable cellulose), rice husk concentrate

## Fiberzon

# Great tasting high-fiber to help support a healthier gut

Many of us don't get enough fiber in our daily diets, and the result can be sluggish and even painful elimination.<sup>1</sup> The fiber in a healthy diet helps keep things moving along—now, NEW Fiberzon gives you that extra fiber with a pleasant-tasting cocoa flavor. Soluble fiber in beans, fruits and oats, along with insoluble fiber (the bulk type in whole-grain products and vegetables) helps keep stools soft. Health experts agree: fiber, good nutrition, drinking plenty of liquids and enjoying regular exercise is crucial for regularity.<sup>1</sup>

As we age, elimination troubles can become more common,<sup>1</sup> but Fiberzon may be a solution.

### Add healthy fiber easily, every night

With four grams of fiber (both soluble and insoluble) in each serving, mixed with water before bed, Fiberzon is a great way to add supplemental fiber to your healthy eating plan. The unique blend of Rainforest botanicals and fiber in Fiberzon helps support the body's natural elimination: think of it as an intestinal "broom" that helps encourage regularity.

### PLUS—Fiberzon offers a proprietary blend of time-honored, plant-based ingredients, including:

- Boldo Leaf, an evergreen shrub, traditionally used in Chile and Peru to support good digestion.<sup>2</sup>
- Fenugreek, a South American plant whose seeds are used to ease constipation.<sup>3</sup>
- Hibiscus Flower, an ancient medicinal resource thought to have gentle laxative properties.<sup>4</sup>
- Psyllium Husk, an herb used to help lower cholesterol and to relieve constipation.<sup>5</sup>

GREAT  
COCOA  
TASTE!

## Fiberzon

#ADS1878 **\$39.99**

**Earn 160 VitaPoints!**

**Suggested use:** One scoop per 8 ounces pure cool water. In addition, drink 6–8 glasses of pure water daily.

### Fiberzon

**Quantity:** 8.99 oz (255 g) **Serving size:** 1 level scoop (Approx. 8.5 g)

**Amount per serving:** Calories 25, Total Carbohydrates 5 g (Dietary Fiber 4 g, Protein 1 g). Proprietary Blend 6935 mg: Psyllium Husk (*Plantago ovata*), Oat Fiber (*Avena sativa*), Fenugreek Seed (*Trigonella foenum-graecum*), Hibiscus Flower (*Hibiscus sabdariffa*), Licorice Root (*Glycyrrhiza glabra*), Boldo Leaf (*Peumus boldus*), Flax Seed (*Linum usitatissimum*), Oat Bran (*Avena sativa*), Slippery Elm Bark (*Ulmus rubra*), Cat's Claw Bark (*Uncaria tomentosa*), Artichoke Leaf (*Cynara scolymus*), Chanca Piedra, Whole Herb (*Phyllanthus niruri*), Camu Camu Fruit (*Myrciaria dubia*), Sangre de Drago Bark Resin (*Croton lechleri*), Papaya Leaf (*Carica papaya*).

**Other ingredients:** Cocoa, Natural Flavors, Carob Fruit (*Certonia siliqua*), Sodium Chloride, Xanthan Gum, Stevia Leaf Extract and Peppermint Oil Powder.

## Adaptuit Sleep

# The natural formula to aid in deep, restorative sleep

### Designed to help you sleep better

Adaptuit Sleep is designed to encourage sleep onset and optimize restorative sleep stages by targeting mood, mindset, muscle tension and relaxation responses. To unlock these sleep-supportive benefits, Adaptuit Sleep supplies a unique blend:

**Baikal skullcap extract (*Scutellaria baicalensis*):** Traditional Native American wellness herb studied today for its calming and quieting effects.<sup>1,2</sup>

**Hops extract:** Flowers suggested to optimize GABA, a soothing, sleep-supportive neurotransmitter.<sup>3</sup>

**Lemon balm extract:** Traditionally used to ease excitability and encourage sleep;<sup>4</sup> more recently studied for its adaptogenic effects.<sup>5</sup>

**Passionflower extract:** Clinically suggested for its calming and relaxing properties; also helps unwind tense muscles and induce sleep.<sup>6,7</sup>

**Ashwagandha extract:** Adaptogenic herb believed to strengthen stress resistance; may also contribute to a tranquil, peaceful mood.<sup>8</sup>

### PLUS:

**Magnesium 40 mg:** Most adults fail to get enough of this key mineral that helps to relax muscles and release important sleep neurotransmitters.<sup>9-11</sup>

### IS STRESS CAUSING YOU TO LOSE SLEEP?

Try Adaptuit™—designed to help your body adapt to stress and minimize its damaging effects. See page 35.

### Adaptuit™ Sleep

#30790 **\$19.99**

**Earn 80 VitaPoints!**

**Suggested use:** Adults take 2 capsules 30 minutes before bedtime or as recommended by a healthcare provider. Continue daily use until a normal sleep pattern is established, then take as needed.

**Caution:** Do not take prior to driving or operating machinery.

*“After losing a member of my family, I was losing sleep. The first week I tried Adaptuit Sleep, I was able to sleep through the night and later into the morning.”*

- Debbie W.,  
Member since 2007

### Adaptuit™ Sleep

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per Serving:** Magnesium 40 mg, Proprietary Blend: 732 mg: Magnesium taurinate, Baikal skullcap extract (*Scutellaria baicalensis* root), Hops extract (*Humulus lupulus strobile*), Lemon balm extract (*Melissa officinalis* aerial parts), Passionflower extract (*Passiflora incarnata* L. aerial parts), Ashwagandha extract (*Withania somnifera* root)

**Other ingredients:** Gelatin, rice flour, vegetable magnesium stearate, silica.

## ProDigest

# Premium enzyme formula for digestive system enhancement and support

Stress, eating processed foods and aging all make it hard for our digestive system to work properly. The digestive system then becomes challenged, and bloating, gastrointestinal discomfort and indigestion may result.<sup>1</sup>

### ProDigest helps support the digestive system and features:

- A combination of various natural plant-based enzymes from the Amazon Rainforest.
- Boldo, an evergreen shrub, contains chemicals that might fight bacterial growth in the urine and stimulate the stomach.<sup>2</sup>
- Anise is an herb used by Amazon natives for its carminative (anti-gas) properties.<sup>3</sup>
- Peppermint has been used traditionally to help relieve symptoms of irritable bowel syndrome and indigestion.<sup>4</sup>
- Carqueja, an herb traditionally used to address indigestion, constipation and more.<sup>5</sup>

### Digestive enzymes to assist and enhance digestion of foods:

- Amylase, which supports breakdown of carbohydrates such as glycogen and starches.<sup>6</sup>
- Protease, which supports digestion of proteins.<sup>7</sup>
- Lipase, which supports breakdown of fats, thereby improving their utilization.<sup>8</sup>
- Comes in vegetarian capsules and contains no preservatives or artificial ingredients.

*"I'm a long-time user of ProDigest. It's great for helping me digest food and absorb nutrients."*

- Dawn T.,  
Member since 2012

## ProDigest

#ADS1472 **\$34.99**

**Earn 140 VitaPoints!**

**Suggested use:** Take 1 capsule 3 times daily with food or as directed by a healthcare provider.

### ProDigest

**Quantity:** 90 capsules **Serving size:** 3 capsules

**Amount per serving:** Proprietary Herbal Blend total 253 mg: Anise (Pimpinella anisum seed), Carqueja (Baccharis trimera leaf), Boldo (Peumus boldus leaf), Peppermint (Mentha piperita leaf). Proprietary Enzyme Blend total 219 mg: Amylase (from Aspergillus oryzae), Malt Diastase (from barley seed Hordeum vulgare), Peptidase (from Aspergillus melleus), Protease (from Aspergillus oryzae), CereCalase™ (hemicellulase, phytase and beta-glucanase from Aspergillus niger & Trichoderma longibrachiatum), Bromelain (from Pineapple Anansus comosus leaf), Glucoamylase (from Aspergillus niger), Lipase (from Rhizopus oryzae), Invertase (from Saccharomyces cerevisiae).

**Other ingredients:** Vegetable-based capsule (hydroxypropyl methylcellulose, purified water), rice husk concentrate.

## Joint Complex

# Maximum joint nourishment to support a more mobile, flexible you

Joint Complex features some of the most important joint health nutrients in a combination designed to promote mobility in many ways, with a leading joint-support trio:

**Glucosamine:** A raw material for cartilage repair and regrowth; also signals the body to make new cartilage and helps enhance joint lubrication.<sup>1,2</sup>

**Chondroitin:** Found in connective tissues, chondroitin attracts water like a magnet—helping “shock-absorbing” cartilage to stay plump, hydrated and cushy.<sup>3,4</sup>

**MSM:** This organic sulfur is a key structural nutrient found in healthy cartilage.<sup>5</sup>

### Joint Complex enhances this trio with herbal joint soothers, including:

**Boswellia:** Ayurvedic tree resin shown to support joint comfort.<sup>6</sup>

**Turmeric:** Supplies antioxidant curcumin; helps protect joint cartilage.<sup>7,8</sup>

**Cat’s claw:** Amazonian herb traditionally used to support joints.<sup>9,10</sup>

### PLUS:

**Collagen Type II:** The most abundant protein found in connective tissues, this collagen is concentrated in cartilage, where its fibrous structure supports strength and flexibility.<sup>11</sup>

Take Joint Complex daily to help rejuvenate your joints—and reclaim the free-and-easy mobility that unlocks peak quality of life.

### DID YOU KNOW?

Stiff joints can make it hard to lead an active life. The right nutrients may help renew cartilage, lubricate joints and support flexibility—so you can enjoy your life to the fullest.

THIS PRODUCT IS ALSO GREAT FOR:

 **HEALTHY INFLAMMATION SUPPORT**

### Joint Complex™

#30210 **\$29.99**

**Earn 120 VitaPoints!**

**Suggested use:** Adults, take 2 tablets with food twice daily as a dietary supplement.

### Joint Complex™

**Quantity:** 120 tablets **Serving size:** 2 tablets

**Amount per serving:** Glucosamine sulfate potassium salt 500 mg, Methylsulfonylmethane 500 mg, Boswellia resin extract 150 mg, Chondroitin sulfate sodium 125 mg, Kombu seaweed (*Laminaria japonica*) 62.5 mg, Collagen Type II (as chicken cartilage) 100 mg, Bromelain (1600 GDU/g) 50 mg, Ginger root extract 50 mg, Grapefruit seed extract 50 mg, L-Glutamine 50 mg, Cat’s Claw bark extract 50 mg, Turmeric root extract 50 mg.

**Other ingredients:** Calcium carbonate, microcrystalline cellulose, croscarmellose sodium, stearic acid, magnesium stearate, silica, maize starch, talc, maltodextrin, hydroxypropyl cellulose, medium chain triglycerides and pharmaceutical glaze.

**Contains:** Fish and crustacean shellfish products.

## Nerve Formula

# The perfect diet supplement to help support proper nerve function

Supporting far more than just our sense of touch, the nervous system is our control center and communication network—enabling sharp mental clarity, carefree physical activity and whole-body harmony. The right nutrition can help to optimize this important system.

### Broad-spectrum nervous system support

Nerve Formula starts with a balanced serving of A, C and E vitamins; B-complex vitamins; and essential minerals like zinc, copper and magnesium—important nutrients for overall nervous system health. Nerve Formula builds on this foundation of “neuronutrients” (dietary components that support the nervous system) with Nerve Preserve™: an advanced blend designed for more targeted nerve concerns.

### Nerve Preserve features:

**Acetyl L-Carnitine:** Supports nerve fiber regeneration and helps maintain nerve comfort.<sup>1</sup>

**L-Taurine:** Helps maintain nerve-to-nerve communication and nerve membrane integrity.<sup>2</sup>

**Alpha lipoic acid:** “Universal Antioxidant” helps protect nerves from negative effects of free radicals (damaging molecules).<sup>3</sup>

**Lecithin & phosphatidylcholine:** Helps support neurotransmitters, important for memory and cognitive function.<sup>4</sup>

Supplying both basic and breakthrough neuronutrients, Nerve Formula is designed to help support nervous system care.

*“Nerve Formula helps me manage my foot neuropathy.”*

- Willie A.,  
Member since 2010

## Nerve Formula™

#30360 **\$27.99**

**Earn 112 VitaPoints!**

**Suggested use:** Adults take 1 capsule twice daily with food. Note: For optimal results, take 2 capsules three times per day for 30 days, then 2 capsules twice per day for 30 days, then 1 capsule twice daily.

### Nerve Formula™

**Quantity:** 60 capsules **Serving size:** 2 capsules

**Amount per serving:** Vitamin A (as palmitate) 1000 IU, Vitamin C (as ascorbic acid) 50 mg, Vitamin E (as d-alpha tocopheryl succinate) 20 IU, Thiamin (as thiamin HCl) 20 mg, Riboflavin 5 mg, Niacin (as niacinamide) 25 mg, Vitamin B6 (as pyridoxine HCl) 10 mg, Folate (as folic acid) 400 mcg, Vitamin B12 (as methylcobalamin) 1000 mcg, Biotin (as d-biotin) 1000 mcg, Magnesium (as magnesium oxide) 10 mg, Zinc (as zinc amino acid chelate) 10 mg, Copper (as copper citrate) 250 mcg. Nerve Preserve™ Proprietary blend 562 mg: Lecithin, Acetyl L-carnitine (as acetyl L-carnitine HCl), Horse chestnut (Aesculus hippocastanum L. fruit) extract, Phosphatidylcholine, Colostrum, Taurine, Butcher’s Broom (root), Alpha-lipoic acid, Betaine HCl.

**Other ingredients:** Vegetable capsule, silicon dioxide magnesium stearate, calcium silicate and tricalcium phosphate.

**Contains:** Milk and soy ingredients.

## Rejuvenate

# A natural botanical blend to support and revitalize your energy and stamina

With age, we may experience fatigue and decreased stamina and sexual performance, thanks to complex changes to the endocrine system.<sup>1</sup> Amazon Herb Rejuvenate features a proprietary blend of four powerful botanicals straight from the Amazon designed to help maintain a healthy endocrine system and support energy levels, stamina, endurance and overall health. It is also traditionally known to support fertility and sexual performance.

“Amazon John” Easterling has spent years developing herbal blends from the Amazon rainforest that address the most pressing health challenges of modern life. With the Amazon Herb line, TriVita brings his knowledge of these botanical treasures directly to you.

### Rejuvenate features the following ingredients:

**Maca root:** A Peruvian root vegetable, sometimes called Peruvian ginseng because it has been traditionally used to promote stamina and endurance.<sup>2</sup> Maca also shows a positive influence on supporting cell integrity.<sup>3</sup>

**Suma:** Understood as an adaptagen<sup>4</sup> that helps support body function,<sup>5</sup> native peoples have long used Suma to promote robust health.

**Muira Puama:** Its bark and roots have been used traditionally for a variety of purposes including nerve, digestive and joint health.<sup>6</sup>

**Stevia:** Traditionally used as an anti-hyperglycemic agent, Stevia has beneficial effects on glucose metabolism.<sup>7</sup>

THIS PRODUCT IS ALSO GREAT FOR:

 **STRESS MANAGEMENT SUPPORT**

## Rejuvenate

#ADS2971 **\$29.99**
